

Seznam literatury

Reinhold Messner nevyužívá v této knize jen původní zprávy Malloryho a jeho přátel, nýbrž cituje i z literatury o Everestu za posledních 150 let a přináší mnoho dosud neznámých informací. Všechny doslovně uváděné citáty a dokumenty, tištěné kurzívou, jsou přebírány z následujících spisů (pokud nejsou uvedeny místo a rok vydání, nejsou známy):
