

Použitá a doporučená literatura

Biblické citáty pochází z českého ekumenického překladu *Písmo svaté Starého a Nového zákona*, pořízeného v letech 1961 až 1979, který je dostupný na stránkách České biblické společnosti (www.biblenet.cz). Citace z Flavia Josefa jsou autorské překlady z *Complete works of Josephus. Antiquities of the Jews; The wars of the Jews against Apion, etc.*, William Whiston, Syvert Haverkamp (eds.), New York 1800 (reprint 2009). K citacím z díla Eusebia z Kaisereje *Církevní dějiny* byly použity stránky vytvořené podle Josef NOVÁK, *Církevní dějiny (Ecclesiastica historia)*, Praha 1988: http://www.fatym.com/taf/knihy/patrol/p_cdej.htm

Mezi základní numismatická díla patří práce zesnulého Ya'akova Meshorera, bývalého vedoucího kurátora archeologické sbírky Izraelského muzea. Pět vydání knihy *Guide to Biblical Coins* amerického biologa a numismatika Davida Hendina je nejpřehlednější a základní monografie, již lze vytknout jedinou vadu – číslování mincí se v jednotlivých vydáních liší. Starozákonním ražbám a počátkům mincování obecně se ve svých knihách a studiích věnuje můj vážený přítel Haim Gitler, prezident Izraelské numismatické společnosti a současný vedoucí kurátor archeologické a numismatické sbírky Izraelského muzea. Na jejich monografie navazují další badatelé svými publikacemi a odbornými články. Tyto texty jsou ponejvíce publikovány v periodících *Israel Numismatic Journal (INJ)* a *Israel Numismatic Research (INR)*. Rozsah pouhé numismatické literatury je neobvykle široký, neboť pokrývá téměř 750 let biblického mincování.

Odborné biblistické literatury bylo publikováno tolik, že není v silách jednotlivce ji kompletně prostudovat. Přináším proto pouze výběr z česky vydaných monografií, populárně pojatých titulů a několika zahraničních děl.
