

Bibliografie

Literatura o vietnamské válce je nesmírně bohatá. Níže uvádím jen ty publikace, které měly přímý vliv na mou práci, byť tento vliv mohl být jen nepatrný, či dokonce negativní. Pakliže některé, a to i ty notoricky známé tituly neuvádím, není tomu proto, že jejich autora nechovám v patřičné úctě – je tomu toliko proto, že některé znamenité práce knihy nezapadají do celkového pojetí mého výkladu. Pakliže není uvedeno jinak, tak citované vietnamské materiály překládal Merle Pribbenow.
