

## ROSSI. PARFITT. LANCASTER. COGHLAN.

The Frantic Four and, for many, the ultimate Quo line-up which last played together in 1981. Three decades later and following ten years of acrimony and court battles, the unthinkable happened and the Frantic Four reunited in 2013 for a UK reunion tour to sell out audiences, tumultuous acclaim and stunning reviews. As a result and due to massive public demand, they got together once again in 2014 for one final UK and European outing. BACK 2 SQ.1 was the tour and this is the memorable, show-stopping, final performance on Saturday, April 12th 2014 from Dublin's Q2 Arena. **Relive and rock.**
