INTRODUCTION	3
Conclusions and recommendations	4
PRESENTED PAPERS	
KRÁUČI Norbert: Coping with global change - a challenge for forestry	6
VINŠ Bohuslav: Potential impact of the global climate change on forestry in the Czech Republic	22
BRŮŽEK Vladimír: Extraterrestrial influences and long-term changes of meteorological elements	37
HENŽLIK Vladimír: Lesprojekt's forest management models. Adjustment of models to climate change	53
LOMSKÝ Bohumír, PASUTHOVÁ Jarmila, UHLÍŘOVÁ Hana: The health status of young spruce stands in the Ižera Mts. polluted area	69
PODRÁZSKÝ Vilém: Importance of soil chemistry dynamics and soil amelioration for forest restoration and tree species composition changes	79
VACEK Stanislav, PODRÁZSKÝ Vilém: Soil chemistry changes in the Krkonoše Mts. during the last decade	85
JAČKA Jaroslav: The estimation of the impact of climate changes on forest tree species increase	89
GROTE Rüdiger: Simulation of climatic and anthropogenic effects in forest ecosystems of Eastern Germany	92
KARJALAINEN Timo: Contribution of forestry to carbon cycle in Finland	104
MÄKIPÄÄ Raisa: Effects of nitrogen input on carbon balance of boreal forest soils and ground vegetation	118
ŠRÁMEK Vít: The measuring of climatic factors and air pollution for the purpose of observation of forests health changes by FGMRI Jíloviště-Strnady	127
ALEXANDRU Pavel: Windfall implications in the forest ecosystem degradation	138
ČERMÁK Jan, KUČERA Jiří: Transpiration of trees and forest inventory parameters - a background for applied studies	142
BURIÁNEK Václav: Ecological plasticity to climatic factors of forest tree species and the significance for tree composition in possible climate changes	150
KAPITOLA Petr, LIŠKA Jan, KNÍŽEK Miloš, ŠRŮTKA Petr: Present insect outbreaks in forests in the Czech Republic - a possible consequence of climatic changes ..	161
LINDNER Marcus, BUGMANN Harald, CRAMER Wolfgang, LASCH Petra: Impact of climate change on forests: application of forest succession models across Central and Eastern Europe	165
PRESENTED POSTERS	179
LIST OF PARTICIPANTS	184
