Abstract.....	7
Chapter 1: Introduction to the study .....	9
Background: The context of the study .....	9
The purpose of the research .....	11
The study's significance .....	12
Overview and organization of the study .....	12
Chapter Two: A review of the research and related literature .....	15
Inclusive educational practices .....	16
Philosophical perspective of inclusive educational practices .....	18
Historical perspectives of inclusive education practices .....	20
Cultural perspectives.....	23
Historical meanings of inclusive educational practices: Policy .....	23
Inclusive educational practices in the Czech Republic .....	27
Professional and/or personal experience .....	30
Teachers and teaching .....	30
Teachers and teaching in the Czech Republic .....	32
School principals and leadership.....	33
Inclusive practices of principals in the Czech Republic .....	36
Justification.....	37
Research questions and hypotheses .....	38
Chapter Three: Methodology.....	41
Study Design .....	41
Procedure .....	42
Recruitment process .....	44
Data collection .....	44
Instruments .....	44
Validity.....	45
Data analysis.....	46

Chapter Four: Results .....	47
The attitudes of school principals towards students with special needs in Olomouc, Czech Republic.....	47
The attitudes of school principals towards students with special needs in the Gothenburg, Sweden.....	53
Qualitative findings from the SPATI scale: Sweden .....	55
The inclusive practices of schools in the Moravia region of the Czech Republic: Inclusion and schools questionnaire .....	56
Chapter Five: Discussion of the results .....	61
Subject and role.....	62
Tools .....	64
Rules .....	64
Community .....	65
Implications.....	66
Limitations .....	67
Chapter Six: Conclusions .....	69
Future Research Directions .....	70
References.....	73
