Abstract	
Academic duets: on the professional and private life in science	9
Marta Vohlídalová	
Kateřina Horníčková and Michal Šroněk	20
We have to constantly remind people that we are two equal partners	
Helena and Michal Illner	32
We don't have time to say: "Now it's vacation time!"	
Jana and Michal Knapp	42
There are moments when we doubt if it has any meaning at all	
Zuzana and Honza Kotek	52
Our colleagues were surprised to see us together 24 hours a day and not get on each other's nerves	
Zuzana Macek Jilková and Pavel Macek	66
We didn't want a child so that I could stay at home for three years	
Ivona and Anatol Malijevský	78
We were fanatics of science. We did it for the love of our work	
Markéta and Václav Martinek	90
One of our daughter's first words was 'molecule'	
Dana and Petr Nachtigall	102
It's better that we are each building our own fields and our own reputations	
Veronika and Tomáš Obšil	114
If a person wants a family and children, you can't spend all your time at work	
Magdalena and Václav Pačes	128
We were young and we took everything lightly	
Milena and Zbyšek Pavlík	140
University and doctorate delay the establishment of a family by six or seven years	
Eva and Zdeněk Samec	152
We thought that it was a temporary arrangement, and they turned out to be the most beautiful years of our lives	
Beata and Adam Strachota	164
Children are a huge life motivation. A person suddenly has someone to live for	
Eva and Josef Syka	176
We don't function as a typical family of our generation	
Aleksandra Vajd and Hynek Alt	190
Our way of life is flexible. We travel, leave and come back
