

CONTENTS

Encephalitozoonosis in laboratory animals—a serological survey J. ČHALUPSKÝ, J. VÁVRA, P. BEDRŇÍK	1
On feasibility of applying density gradient centrifugation for separation of different stages of <i>Toxoplasma gondii</i> K. N. MASHI, J. JÍRA	9
On the problem of variable numbers of hosts in the life-cycles of helminths D. K. BOZHKO, K. ODENING	15
Scanning electron microscopy of eggs of European species of the genus <i>Syphacia</i> Seurat, 1916 (Nematoda) V. BARUŠ, F. TENORA, R. WIGER	21
Tissue reaction in the heart of cattle with a spontaneous and artificial <i>Cysticercus bovis</i> infection J. ŠTĚRBA, I. DYKOVÁ, B. MACHNICKA	27
Histochemistry of cercariae and sporocysts of <i>Dicrocoelium lanceatum</i> Z. ŽDÁRSKÁ	35
Persistence of <i>Coxiella burnetii</i> in beetles, <i>Dermestes maculatus</i> (Dermestidae) J. ŘEHÁČEK	39
The effect of <i>Symbiocladius rhithrogenae</i> (Diptera, Chironomidae) on the development of reproductive organs of <i>Ecdyonurus lateralis</i> (Ephemeroptera, Heptageniidae) T. SOLDÁN	45
<i>Pyemotes herfsi</i> (Oudemans, 1936) as causative agent of another mass dermatitis in Europe (Acari, Pyemotidae) K. SAMŠIŠÁK, J. ČHMELÁ, E. VOBRÁZKOVÁ	51
Serologic examination of human population in South Moravia (Czechoslovakia) on the presence of antibodies to arboviruses of the Alfavirus, Flavivirus, Turlock groups and Bunyamwera supergroup J. M. KOLMAN, K. KOPECKÝ, O. RÁC	55
Experimental transmission of Ťahyňa virus (California group) to wild rabbits (<i>Oryctolagus cuniculus</i>) by mosquitoes P. RÖDL, V. BÁRDOŠ, J. RYBA	61
Short Communications	
Coccidian parasites (Coccidia, Eimeriidae) of the squirrel <i>Sciurus vulgaris</i> L. from Czechoslovakia B. RYŠAVÝ, Ž. ČERNÁ	65
<i>Railletina (Paronietta) kratochvili</i> sp. n. (Cestoda: Davaineidae), a new bird cestode from <i>Pica pica bactriana</i> from Afghanistan B. RYŠAVÝ, F. TENORA	69
<i>Vigiera majumdari</i> sp. n. (Nematoda: Habronematidae) from the bird <i>Dicrurus m. macrocerus</i> (Vieill.) from West Bengal, India N. C. DE	73
Two new species of the genus <i>Gyrodactylus</i> Nordmann, 1832 (Gyrodactylidae: Monogenoidea) from Afghan fishes R. ERGENS	77
Feather mites (Sarcoptiformes, Analgoidea) of some warblers from Czechoslovakia V. ČERNÝ	81
Experimental infection of black-headed gulls (<i>Larus ridibundus</i> L.) and coots (<i>Fulica atra</i> L.) with Lednice (M'Poko) virus D. MÁLKOVÁ, V. DANIELOVÁ, D. LÍM	85
A proposal for the evaluation of vertebrates as to their role in the circulation of arboviruses V. BÁRDOŠ, B. ROSICKÝ	89
Mammals as source of ectoparasites in towns V. ČERNÝ, B. ROSICKÝ	93
Notes	26, 33, 50, 72, 79, 96
News	13, 19, 43
Book reviews	60, 76, 88, 92, 95
