

CONTENTS

Lectins in snail-trematode immune interactions: a review P. Horák, W.P.W. van der Knaap	161–172
Helminth ectoparasites of sillaginid fishes (Perciformes: Percoidei) have low species richness C.J. Hayward	173–187
Complement fixing antibody production in thymectomized <i>Oncorhynchus mykiss</i> vaccinated against or infected with the pathogenic haemoflagellate <i>Cryptobia salmositica</i> S. Feng, P.T.K. Woo	188–194
<i>Caryospora kalimantanensis</i> sp. n. (Apicomplexa: Eimeriidae) from the mangrove snake <i>Boiga dendrophila</i> (Serpentes: Boiginae) from Kalimantan D. Modrý, B. Koudela	195–198
Host-finding behaviour of <i>Cotylurus flabelliformis</i> (Trematoda: Strigeidae) cercariae for snail hosts R.A. Campbell	199–204
<i>Sciadicleithrum meekii</i> sp. n. (Monogenea: Ancyrocephalinae) from the gills of <i>Cichlasoma meeki</i> (Pisces: Cichlidae) from cenotes (= sinkholes) of the Yucatan Peninsula, Mexico E.F. Mendoza-Franco, T. Scholz, V.M. Vidal-Martínez	205–208
New observations on seuratoid nematodes parasitic in fishes of the Paraná River, Brazil F. Moravec, A. Kohn, B.M.M. Fernandes	209–223
Acanthocephalans of the family Centrorhynchidae (Palaeacanthocephala) from Bulgaria Z.M. Dimitrova, B.B. Georgiev, T. Genov	224–232
Occurrence of cystacanths of <i>Polyacanthorhynchus kenyensis</i> larvae (Acanthocephala) in four teleostean fishes from a tropical lake, Lake Naivasha, Kenya P.A. Aloo, B.S. Dezfuli	233–238
N o t e	
Two gynandromorphs of <i>Ixodes (Ixodes) pacificus</i> (Acari: Ixodidae) from California, U.S.A. J.E. Keirans, R.S. Lane	239–240
