News

5 World News

Spotlight

8 Transforming Africa
Transformative projects are moving forwards in Africa, says the IHA.

Construction

10 Building on European potential
Details on recent work undertaken by Strabag across Europe.

12 What is the key to construction success?
Members of the industry share their thoughts on the key to successful project construction.

Africa

16 Lighting up Africa
How hydro can help to sustainably fuel the next stage of Africa's development.

19 Annual gathering
What to expect from ICOLD's next annual meeting, to be held in Johannesburg in May.

20 Big in Africa
Spotlight on ten of the largest hydropower schemes across the continent.

24 The Africa Climate Business Plan

A new plan calls for US\$16B in funding to help Africa adapt to climate change. What role will hydro play in this?

28 Powering water supply in South Africa

Looking at opportunities for small hydro development on existing infrastructure.

32 Building better dams by sharing the benefits

The Global Water Initiative takes a look at how to combat negative issues associated with dam building.

Pumped storage

36 Bright prospects for pumped storage in Chile

Innovation behind the Espejo de Tarapacá project – a combined solar power and pumped storage plant.

40 Golden opportunities for power

Details on the Kidston pumped storage project in Australia.

Modelling

44 Model insurance

The role of enhanced flood modelling.
