

TABLE OF CONTENTS

FOREWORD	7
1. THE NEED FOR RESEARCH KNOWLEDGE IN MODERN POLICE PRACTICE	11
2. THE PROCESSES OF ACQUISITION OF RESEARCH INFORMATION	23
2.1 OBJECT, SUBJECT MATTER AND ENTITY OF SCIENTIFIC RESEARCH	23
2.2 DEGREES OF SCIENTIFIC RESEARCH IN THE FIELD OF POLICE PRACTICE	26
2.2.1 Sensory level of understanding the police practice	27
2.2.2 Rational level of understanding the police practice	28
2.3 SPHERES OF UNDERSTANDING THE POLICE PRACTICE	29
2.3.1 Empirical sphere of understanding the police practice	30
2.3.2 Theoretical sphere of scientific understanding the police practice	31
2.4 LOGICAL FORMS OF SCIENTIFIC UNDERSTANDING OF POLICE PRACTICE	33
2.4.1 Scientific fact	33
2.4.2 Scientific problem	34
2.4.3 Scientific hypothesis	34
2.5 METODOLOGICAL AND METHODOLOGICAL ASPECTS OF THE SYSTEM OF SCIENTIFIC RESEARCH OF POLICE PRACTICE	36
2.5.1 The gnoseological level	38
2.5.2 The methodological and methodical level	39
2.6 RESEARCH METHODOLOGY SYSTEM	39
2.7 METHODS OF RESEARCH IN THE FIELD OF POLICE PRACTICE	41
2.7.1 Classification of scientific research methods	42
2.7.2 System of scientific research methods	44
3. INFORMATION TRANSFER OF SCIENTIFIC KNOWLEDGE TO POLICE PRACTICE	47
3.1 DEFINITION OF KEY TERMS	49
3.2 GLOBAL PLANNING OF INFORMATION NEEDS	51
3.3 INFORMATION AS A MEANS OF MAPPING THE SECURITY SITUATION	52

3.4 INFORMATION CYCLE	57
3.4.1 Planning and Direction	58
3.4.1.1 Order	58
3.4.1.2 Planning	60
3.4.2 Collection of Information	61
3.4.2.1 Gathering of Information	61
3.4.2.2 Assessment and Verification of Information	62
3.4.2.3 Comparing and Collation of Information	63
3.4.3 Processing of Information	64
3.4.4 Analysis and Production	64
3.4.4.1 Description and Interpretation of Information	64
3.4.4.2 Logical Reasoning	66
3.4.4.3 Formulation of Hypotheses	67
3.4.4.4 Formulation of Conclusions	67
3.4.5 Dissemination	69
3.5 INFORMATION CYCLE IN PRACTICE	70
3.5.1 Fundamentals	70
3.5.2 Coordination	73
3.5.3 Information networks	76
3.5.3.1 Internal - Informal Networks	77
3.5.3.2 External - Informal Networks	78
3.5.3.3 Internal - Formal Networks	78
3.5.3.4 External - Formal Networks	79
3.5.4 Analytical capacities	80
3.5.5 Information Memory of the Security Organisation	82

4. THE IMPLEMENTATION OF SCIENTIFIC KNOWLEDGE IN DECISION MAKING AND EXECUTION	85
4.1 GENERAL PREMISES	85
4.2 LEVELS OF SCIENTIFIC KNOWLEDGE TRANSFER	89
4.2.1 The Interactive Level of Scientific Knowledge Transfer	89
4.2.2 The Communication Level of Scientific Knowledge Transfer	91
4.2.3 The Personality Level of Scientific Knowledge Transfer	96
4.2.4 The Activity Level of Scientific Knowledge Transfer	97
4.3 SCIENTIFIC KNOWLEDGE TRANSFER IN DECISION MAKING PROCESS	99
4.3.1 Scientific Knowledge Transfer in Problem Solving and Decision Making	100
4.3.2 Scientific Knowledge Transfer in Planning and Decision Execution	100
4.3.2.1 Scientific Knowledge Transfer in Implementation Analysis	101
4.3.2.2 Scientific Knowledge Transfer in Executing Actions	102

4.4 THE POLICE MANAGER AS A MANAGER OF SCIENTIFIC KNOWLEDGE TRANSFER	102
4.4.1 The Scientific Knowledge Transfer Manager	103
4.4.2 The Role of the Scientific Knowledge Manager	104
4.4.3 Normative Aspects	106
4.4.4 Subjective Aspects	106
4.4.5 The Factual Aspect	108
4.4.6 Reasoning and Arguing Skills	109
4.4.7 Empathetic Understanding Skills	110
4.4.8 Skills for Providing and Receiving Feedback	111
4.5 BARRIERS TO SCIENTIFIC KNOWLEDGE TRANSFER	112

5. THE ACQUISITION AND USE OF PROGNOSTIC INFORMATION WITHIN A POLICE ORGANISATION	117
5.1 PROGNOSTICS AS A SPECIFIC TYPE OF SCIENTIFIC RESEARCH	118
5.2 METHODOLOGY OF THE ACQUISITION OF PROGNOSTIC INFORMATION	120
5.3 USE OF PROGNOSTIC INFORMATION IN A POLICE ORGANISATION	140

CONCLUSIONS	147
