<b>Introduction to the English Edition</b> ( <i>T. Gral</i> ) . . . . .	<b>11</b>
<b>Brief History of Physical Diagnosis</b> ( <i>L. Chrobák</i> ) . . . . .	<b>12</b>
<b>Introduction to Clinical Ethics</b> ( <i>T. Gral</i> ) . . . . .	<b>13</b>
<b>1 Disease, Symptoms, Signs, Progress (Course of the Disease), Prognosis</b> ( <i>L. Chrobák</i> ) . . . . .	<b>19</b>
<b>2 Medical History and Examination of the Patient</b> ( <i>L. Chrobák, T. Gral</i> ) . . . . .	<b>21</b>
2.1 History . . . . .	22
2.1.1 Personal Data . . . . .	23
2.1.2 Current (or Chief) Complaints . . . . .	23
2.1.3 Family History . . . . .	23
2.1.4 Personal History . . . . .	24
2.1.5 Work (Occupational) and Social History . . . . .	26
2.2 Physical Examination . . . . .	29
2.2.1 Inspection . . . . .	30
2.2.2 Palpation . . . . .	30
2.2.3 Percussion . . . . .	30
2.2.4 Auscultation . . . . .	32
2.2.5 Smell . . . . .	33
<b>3 Overall Condition of the Patient</b> ( <i>J. Baštecký, T. Gral</i> ) . . . . .	<b>35</b>
3.1 Consciousness . . . . .	35
3.2 Position . . . . .	36
3.3 Abnormal Movements, Posture and Gait . . . . .	37
3.4 Abnormal Muscle Movements . . . . .	37
3.5 Body Habitus (Types, Contours) . . . . .	38
3.6 Changes in Voice and Disturbances of Speech . . . . .	39
3.7 Skin . . . . .	39
3.7.1 Color . . . . .	40
3.7.2 Skin Eruptions (Rashes - Erythemas, Exanthemas) . . . . .	42
3.7.3 Pathological Formations (Lesions) and Scars . . . . .	42
3.7.4 Skin Hemorrhage . . . . .	43
3.7.5 Skin Moisture . . . . .	43
3.7.6 Skin Turgor . . . . .	43
3.8 Edema (Swelling) . . . . .	43
3.9 Skin Appendages . . . . .	45
3.9.1 Changes in Body Hair Distribution . . . . .	45
3.9.2 Nail Changes . . . . .	45
3.10 Body Temperature . . . . .	45
<b>4 Examination of the Head</b> ( <i>J. Baštecký, T. Gral</i> ) . . . . .	<b>49</b>
4.1 Examination of the Skull . . . . .	49
4.1.1 Inspection of the Skull . . . . .	49

4.1.2 Percussion and Palpation of the Skull	51
4.1.3 Auscultation of the Skull	51
4.2 Examination of the Eyes	52
4.3 Examination of the Nose	54
4.4 Examination of the Lips and Mouth	55
4.5 Examination of the Ears	57
<b>5 Examination of the Neck (J. Baštecký)</b>	<b>59</b>
5.1 Examination of the Neck Arteries	59
5.2 Examination of the Neck Veins	59
5.3 Examination of the Cervical Lymph Nodes	60
5.4 Examination of the Thyroid Gland (R. Lomský)	61
<b>6 Examination of the Chest (L. Chrobák)</b>	<b>65</b>
6.1 Inspection of the Chest	66
6.1.1 Abnormal Chest Shapes	66
6.1.2 Respiratory Movements	66
6.1.3 Examination of the Breasts	68
6.2 Palpation of the Chest	69
6.2.1 Vocal (Tactile, Pectoral) Fremitus	69
6.2.2 Pleural Friction Rub	70
6.3 Percussion of the Chest	70
6.3.1 Percussion by Comparison	70
6.3.2 Topographic Percussion	71
6.3.3 Changes in Percussion Sounds over the Lungs	74
6.4 Auscultation of the Lungs	75
6.4.1 Breath Sounds	75
6.4.1.1 Vesicular Breathing	75
6.4.1.2 Bronchial (Tubular) Breathing	76
6.4.2 Changes in Breath Sounds	76
6.4.2.1 Pathologic Vesicular Breathing	76
6.4.2.2 Pathologic Bronchial (Tubular) Breathing	77
6.4.3 Adventitious Breath Sounds (Rales)	77
6.4.3.1 Dry Rales	78
6.4.3.2 Moist Rales	78
6.4.3.3 Inspiratory Crepitations	78
6.4.3.4 Stridor	79
6.4.3.5 Pleural Friction Rub	79
6.4.4 Auscultation of Voice Sounds - Bronchophony	79
<b>7 Pulmonary Syndromes (L. Chrobák)</b>	<b>81</b>
7.1 Syndrome of Bronchial Obstruction	81
7.2 Syndrome of Bronchiectasis	81
7.3 Syndrome of Lung Consolidation	82
7.3.1 Pneumonia	82
7.3.2 Pulmonary Infarction	83
7.3.3 Atelectasis	83
7.4 Cavitory (Cavity) Syndrome	83
7.5 Syndrome of Diminished Lung Volume	84
7.6 Syndrome of Enlarged Lung Volume	84
7.7 Syndrome of Effusion in the Pleural Cavity (Fluidothorax)	85

7.8 Pneumothorax (Syndrome of Air in the Pleural Space)	86
7.9 Fluidopneumothorax (Hydropneumothorax)	87
7.10 Mediastinal Syndrome	87
7.11 Principal Symptoms of Pulmonary Diseases	89
7.11.1 Dyspnea	89
7.11.2 Cough	89
7.11.3 Bleeding from the Lung (Hemoptysis)	90
7.11.4 Chest Pain	91
7.11.5 Cyanosis	92
<b>8 Examination of the Heart (J. Kvasnička)</b>	<b>93</b>
8.1 Inspection of the Heart	93
8.2 Palpation of the Heart	94
8.3 Auscultation of the Heart	96
8.3.1 Auscultation Sites of the Valves	96
8.3.2 Heart Sounds	97
8.3.2.1 First Heart Sound	98
8.3.2.2 Second Heart Sound	99
8.3.2.3 Third Heart Sound	100
8.3.2.4 Fourth Heart Sound	102
8.3.3 Gallop	102
8.3.4 Additional Abnormal Sounds	103
8.3.4.1 Diastolic Opening Snap of the Mitral Valve	103
8.3.4.2 Early Systolic (Ejection) Click	105
8.3.4.3 Late Systolic Click	105
8.3.5 Murmurs	106
8.3.5.1 Systolic Murmurs	106
8.3.5.2 Diastolic Murmurs	110
8.3.5.3 Continuous Murmurs	113
8.3.5.4 Extracardiac Murmurs	114
8.3.6 Differential Diagnostic Maneuvers during Auscultation	115
8.4 Measurement of Blood Pressure	117
8.4.1 Paradoxical Pulse (Pulsus Paradoxus)	118
8.4.2 Pulsus Alternans	118
8.5 Examination of the Pulse	119
8.5.1 Pulse Pressure (Pressure Amplitude)	119
8.5.2 Volume of the Palpable Pulse	119
8.5.3 Shape of the Carotid Pulse Curve	120
8.5.4 Capillary Pulse of Quincke	120
8.6 Physical Diagnosis in the Most Frequent Adult Valvular Diseases	120
8.6.1 Stenosis of the Left Venous Ostium (Mitral Stenosis)	121
8.6.2 Incompetence of the Mitral Valve (Mitral Insufficiency)	122
8.6.3 Combined Mitral Stenosis and Incompetence	123
8.6.4 Stenosis of the Left Arterial Ostium (Aortic Stenosis)	124
8.6.5 Incompetence of the Left Arterial Ostium (Aortic Insufficiency)	124
8.6.6 Combined Aortic Stenosis and Insufficiency	125
8.6.7 Tricuspid Regurgitation (Incompetence)	126
8.6.8 Atrial Septal Defect (Ostium Secundum Septal Defect)	126
8.6.9 Eisenmenger's Syndrome	127
8.6.10 Ventricular Septal Defect	128
8.6.11 Patent Ductus Arteriosus	128

8.6.12	Valvular Stenosis of the Pulmonary Artery . . . . .	129
8.6.13	Coarctation of the Aorta . . . . .	129
8.7	Principal Symptoms of Cardiac Diseases . . . . .	130
8.7.1	Pain . . . . .	130
8.7.2	Dyspnea . . . . .	131
8.7.3	Palpitations . . . . .	132
8.7.4	Syncope . . . . .	133
8.7.5	Cyanosis . . . . .	134
8.7.6	Edema . . . . .	134
8.7.7	Hemoptysis and Hemoptoe . . . . .	135
<b>9</b>	<b>Examination of the Abdomen and Gastrointestinal Tract</b> ( <i>V. Nerad, T. Gral</i> ) . . . . .	<b>137</b>
9.1	Surface Anatomy . . . . .	137
9.2	Inspection of the Abdomen . . . . .	138
9.3	Palpation of the Abdomen . . . . .	141
9.4	Percussion of the Abdomen . . . . .	144
9.5	Auscultation of the Abdomen . . . . .	144
9.6	Rectal Examination . . . . .	145
9.7	Principal Signs of Esophageal Disturbances . . . . .	145
9.8	Stomach and Intestinal Dyspepsias (Indigestion) . . . . .	146
9.9	Abdominal Pain in Diseases of the Gastrointestinal Tract . . . . .	147
9.9.1	Pain Characteristics . . . . .	147
9.9.2	Pain Syndromes . . . . .	150
9.10	Meteorism (Tympanites) . . . . .	151
9.11	Bleeding into the Gastrointestinal Tract . . . . .	152
9.12	Assessment of Vomitus (Emesis) . . . . .	153
9.13	Disturbances of Evacuation . . . . .	153
9.14	Inspection of the Feces (Stools) . . . . .	153
9.15	Ascites . . . . .	154
<b>10</b>	<b>Examination of the Liver</b> ( <i>V. Skaunic</i> ) . . . . .	<b>157</b>
10.1	Surface Anatomy . . . . .	157
10.2	Inspection of the Liver . . . . .	157
10.3	Palpation of the Liver . . . . .	157
10.4	Percussion of the Liver . . . . .	159
10.5	Auscultation of the Liver . . . . .	159
10.6	Final Notes on Physical Examination of the Liver . . . . .	160
10.7	Main Symptoms of Liver Disease . . . . .	161
10.7.1	Jaundice (Icterus) . . . . .	161
10.7.2	Portal Hypertension . . . . .	163
10.7.3	Hepatic Encephalopathy . . . . .	164
10.7.4	Ascites . . . . .	164
10.7.5	Indigestion and Pain due to Liver Disease . . . . .	165
<b>11</b>	<b>Examination of the Gallbladder</b> ( <i>V. Skaunic</i> ) . . . . .	<b>167</b>
11.1	Surface Anatomy . . . . .	167
11.2	Palpation of the Gallbladder . . . . .	167
11.3	Biliary Colic . . . . .	168
11.4	Indigestion . . . . .	168

<b>12 Examination of the Spleen</b> ( <i>V. Skaunic</i> ) . . . . .	<b>169</b>
12.1 Surface Anatomy . . . . .	169
12.2 Inspection of the Spleen . . . . .	169
12.3 Palpation of the Spleen . . . . .	170
12.4 Percussion of the Spleen . . . . .	171
12.5 Auscultation of the Spleen . . . . .	172
12.6 Problems in Physical Examination of the Spleen . . . . .	172
12.7 Splenomegaly . . . . .	172
<b>13 Examination of the Urogenital System</b> ( <i>T. Gral</i> ) . . . . .	<b>175</b>
13.1 Surface Anatomy . . . . .	175
13.2 Examination of the Kidneys . . . . .	175
13.3 Examination of the Urinary Bladder . . . . .	176
13.4 Examination of the External Genitalia and Urethra . . . . .	177
13.5 Most Frequent Diseases of the Urinary System . . . . .	177
<b>14 Examination of the Locomotor System</b> ( <i>V. Krupař</i> ) . . . . .	<b>181</b>
14.1 Examination of the Joints . . . . .	181
14.2 Examination of the Spine . . . . .	186
14.3 Examination of the Soft Parts of the Locomotor System . . . . .	191
<b>15 Examination of the Peripheral Vessels</b> ( <i>L. Vodičková</i> ) . . . . .	<b>193</b>
15.1 Examination of the Arteries . . . . .	193
15.1.1 History . . . . .	193
15.1.2 Inspection of the Arteries . . . . .	194
15.1.3 Palpation of the Arteries . . . . .	195
15.1.4 Auscultation of the Arteries . . . . .	196
15.1.5 Function Tests of the Arteries . . . . .	196
15.1.6 Acute Arterial Occlusion . . . . .	197
15.1.7 Syndromes of the Upper Thoracic Aperture . . . . .	198
15.2 Examination of the Veins . . . . .	198
15.2.1 History . . . . .	198
15.2.2 Inspection of the Veins . . . . .	199
15.2.3 Palpation of the Veins . . . . .	199
15.2.4 Percussion of the Veins . . . . .	199
15.2.5 Auscultation of the Veins . . . . .	200
15.2.6 Function Tests of the Veins . . . . .	200
15.2.7 Thrombophlebitis . . . . .	202
15.2.8 Phlebothrombosis (Deep Venous Thrombosis) . . . . .	203
15.2.9 Chronic Venous Incompetence . . . . .	204
<b>16 Examination of the Lymphatic System</b> ( <i>L. Chrobák</i> ) . . . . .	<b>205</b>
<b>17 Basics of Neurologic Examination</b> ( <i>T. Gral</i> ) . . . . .	<b>207</b>
<b>References</b> . . . . .	<b>211</b>
