Introduction	1
<i>Laurence A. G. Moss &amp; Romella S. Glorioso</i>	

## Part 1 Strategic Concepts and Conditions

1. The Rural Change Agent Amenity Migration: Some Further Explorations	11
<i>Laurence A.G. Moss</i>	
2. Amenity Migration, Affinity to Place, Serious Leisure and Resilience	31
<i>Linda E. Kruger, Steven W. Selin &amp; Kathryn A. Thompson</i>	
3. Amenities, Public Goods and Community	47
<i>Gundars Rudzitis, Philip E. Graves &amp; Laurence A.G. Moss</i>	
4. Sentiments and Activism: Community Attachment and Participation in Changing Amenity-Rich Communities	65
<i>David Matarrita-Cascante</i>	
5. Negotiating the Value of “Slow” in Amenity Migration	83
<i>Nick Osbaldiston &amp; Felicity Picken</i>	
6. The Larger Socio-Economic Dynamic of Amenity-Seeking Practises	99
<i>Manfred Perlik</i>	

## Part 2 Learning From Local and Regional Experience

### *Deepening Understanding in Wealthier Societies*

7. Toward a Radical Theory of Place in the American West	119
<i>Gundars Rudzitis</i>	
8. The Role of Amenities in Crafting a Regional Sustainability Strategy: The Similkameen Valley in Western Canada	137
<i>Romella S. Glorioso</i>	
9. Turning Mountain Migrants Into Mountain Stewards: Best Practises, Future Promise in Bridging Stakeholder Divides	161
<i>Linda McMillan</i>	

10. Fire Risk and Amenity Migration: A Cautionary Tale of the Law of Unintended Consequences <i>Kim Sorvig</i>	175
11. Incurred vs. Chosen Territories in France: Amenity Migration and Spatial Planning Issues <i>Jean-Christophe Dissart</i>	185
12. Forgotten Faces of Amenity Migration: Poor Migrants Moving to the Uplands of France <i>Françoise Cognard</i>	203
13. Quality of Life, Not Endless Growth: A Scientific Model for Alpine Space Focusing on the Socio-Cultural Dimension <i>Lars Keller</i>	219
14. The Effects of Amenity Migration on Ethnic Minorities in the Alps: Case Study of the Italian Alps <i>Ernst Steinicke &amp; Roland Löffler</i>	233
15. Recreational Home Agglomerations in Rural Areas in Norway as Emerging Economic and Political Space <i>Tor Arnesen</i>	251
16. Land Use Planning and Management of Second Homes and Tourism Development in a Mountainous District: Ringebu, Norway <i>Kjell Overvåg &amp; Terje Skjeggedal</i>	265
 <b><i>An Increasing Global Presence</i></b>	
17. The Czech Migration for Amenities <i>Michael Bartoš, Drahomira Kušová, Jan Těšitel &amp; Laurence A.G. Moss</i>	279
18. Amenity Migrants in Slovenia: Between Tradition and Globalization <i>Barbara Lampič &amp; Irena Mrak</i>	293
19. Metro-peripheral and Lakeside Amenity Settlement: Chilean Case Studies <i>Rodrigo Hidalgo, Hugo Zunino, Oliver Bender &amp; Axel Borsdorf</i>	311
20. Contradictions in Amenity-led Growth: Insights From the Argentine Experience <i>Rodrigo González &amp; Adriana M. Otero</i>	329
21. Mineral de Pozos: Where Amenity Tourists Recreate Mexican Identity <i>Daniel Hiernaux-Nicolas</i>	343

22. Second Residences in Oukaïmeden: Early Amenity Migration in the High Atlas, Morocco <i>Dennis Fricken &amp; Ernst Steinicke</i>	357
23. From Visiting to Residence in Asian Hill Stations: A Study of Sapa, Vietnam <i>Vu Nam &amp; Makoto Sato</i>	371
24. Early Stage Amenity Dynamics in China: The Yunnan Amenity Corridor <i>Douglas Webster, Chi Jianming, Larissa Muller &amp; Wen Ting</i>	387

### **Part 3 Planning for Sustainability**

25. Planning for Sustainable Living in High Amenity Communities: Charting the Course in an Era of Unprecedented Climate Change and Uncertainty <i>Romella S. Glorioso</i>	407
