

# CONTENTS

Preface .....	7
<b>I. HISTORY OF EMBRYOLOGY .....</b>	<b>9</b>
Conclusions .....	19
<b>II. PROGENESIS .....</b>	<b>20</b>
Gametogenesis .....	20
Oogenesis .....	21
Ovarian cycle .....	22
Ovulation .....	23
Corpus luteum .....	24
Corpus albicans .....	24
Spermatogenesis .....	24
Spermiogenesis .....	25
Meiosis (reduction division) .....	26
Fertilization .....	28
Cleavage .....	30
Blastogenesis .....	31
Implantation (Nidation) .....	31
Placentation .....	33
Gastrulation .....	36
Third embryonic germ layer and notochord .....	37
Somitogenesis and formation of the intraembryonic coelom .....	41
Germ layers derivatives .....	42
<b>III. THE NERVOUS SYSTEM .....</b>	<b>44</b>
Development of the nervous system .....	44
Central nervous system .....	44
Regionalization of the neural tube .....	46
Histogenesis of the neural tube .....	49
Comments on CNS evolution .....	50
Peripheral nervous system .....	52
Neural crest .....	54
The cranial neural crest .....	55

The cardiac neural crest .....	56
The trunc neural crest .....	56
<b>The cranial neural placodes</b> .....	57
Nasal (olfactory) placode .....	57
Profundal (trigeminal) placode .....	57
Otic placode .....	58
Epibranchial placodes .....	58
<b>The sense organs</b> .....	58
The eye .....	58
The ear .....	61
The inner ear .....	62
<b>IV. CARDIO – VASCULAR SYSTEM</b> .....	63
<b>Blood islands</b> .....	63
<b>The early blood circulation</b> .....	65
Early venous circulation .....	65
Unification of bilateral circulation .....	66
<b>The development of the heart</b> .....	66
Atrial septation .....	68
Ventricular septation .....	70
<b>Arterial circulation</b> .....	71
<b>Venous circulation</b> .....	74
Cardinal veins .....	74
Umbilical veins .....	75
Vitelline veins .....	75
<b>The lymphatic system</b> .....	75
<b>Fetal circulation</b> .....	76
Circulatory changes at birth .....	78
Developmental defects .....	79
Atrial septal defects .....	79
Ventricular septal defects .....	79
Patent ductus arteriosus .....	80
Coarctation of aorta .....	81
<b>V. DIGESTIVE SYSTEM</b> .....	82
<b>The fore-gut</b> .....	82
<b>The primitive pharynx</b> .....	84
<b>The fate of branchial structures</b> .....	85
The ectodermal clefts .....	85
<i>The fist pharyngeal cleft</i> .....	85
<i>The distal pharyngeal clefts</i> .....	87
The inner entodermal pouches .....	87

<i>The first pharyngeal pouch</i> .....	87
<i>The second pharyngeal pouch</i> .....	88
<i>The third pharyngeal pouch</i> .....	88
<i>The fourth pharyngeal pouch</i> .....	89
<b>The fate of the pharyngeal arches</b> .....	89
<b>The skeleton and muscles of the pharyngeal arches</b> .....	91
The first – mandibular – arch .....	91
The second – hyoid – arch .....	91
The distal pharyngeal arches .....	92
Vascularisation and innervation of pharyngeal arches .....	92
<b>The derivatives of the pharyngeal ground</b> .....	93
The development of the tongue .....	95
The development of the thyroid gland .....	95
<b>The stomodeum as a precursor of the mouth</b> .....	96
The development of the pituitary gland .....	97
The development of the pharyngeal tonsils – adenoids .....	98
<b>Development of the teeth</b> .....	98
Enamel organ .....	100
Histogenesis .....	101
<b>The respiratory system</b> .....	102
<b>The oesophagus, stomach and spleen</b> .....	103
The spleen .....	104
<b>The liver and pancreas</b> .....	105
The liver .....	105
The pancreas .....	105
<b>The intestine</b> .....	106
<b>VI. UROGENITAL SYSTEM</b> .....	108
<b>Urinary system</b> .....	108
Pronephros .....	109
Mesonephros .....	109
Metanephros (definitive kidney) .....	110
The fate of the cloaca and development of the urinary bladder .....	112
<b>Genital system</b> .....	112
<b>Indifferent stage</b> .....	112
Coelomic cepithelium .....	112
Primordial gonocytes .....	113
Müllerian duct (Paramesonephric duct) .....	114
<b>Differentiation of the male genital organs</b> .....	114
<b>Differentiation of the female genital organs</b> .....	115
<b>Development of the outer genital organs</b> .....	116
<b>Descent of testis and ovary</b> .....	118

<b>VII. SKELETAL SYSTEM</b> .....	119
<b>The extremities</b> .....	119
<b>The vertebral column</b> .....	121
<b>The skull</b> .....	122
Chondrocranium .....	123
Desmocranium .....	124
<b>The development of the face</b> .....	125
The nose .....	125
Cleft lip and jaw .....	126
The palate .....	128
