

## CONTENTS

|   |    |
|---|----|
| I. INTRODUCTION . . . . .   | 1  |
| I.1. The purpose of this study . . . . .                            | 1  |
| I.2. Emphasis on economic problems . . . . .                        | 2  |
| I.3. The setting of our problem . . . . .                           | 4  |
| I.4. The organisation of this book . . . . .                        | 4  |
| I.4.1. The recent past, and the supply factors . . . . .            | 4  |
| I.4.2. Demand factors . . . . .                                     | 5  |
| I.4.3. Results of estimates . . . . .                               | 7  |
| <br>  |    |
| 1. THE NEED FOR INVESTMENT IN AGRICULTURE . . . . .                 | 9  |
| 1.1. Population increase and required investments . . . . .         | 9  |
| 1.2. Capital-output ratio . . . . .                                 | 9  |
| 1.3. A development formula . . . . .                                | 10 |
| 1.4. Four cases as examples . . . . .                               | 11 |
| 1.5. Gross and net capital formation . . . . .                      | 13 |
| 1.6. Starting the process of economic development . . . . .         | 14 |
| 1.7. The rôle of agriculture in the take-off . . . . .              | 15 |
| 1.8. Changes in consumption patterns . . . . .                      | 16 |
| 1.9. Share of agriculture in investment . . . . .                   | 18 |
| 1.10. The need for foreign exchange . . . . .                       | 19 |
| <br>  |    |
| 2. ALLOCATION OF INVESTMENTS AS A PROBLEM OF POLICY . . . . .       | 21 |
| 2.1. The concept of investment allocation . . . . .                 | 21 |
| 2.2. Balanced growth, a problem or a spontaneous process? . . . . . | 22 |
| 2.3. Two categories of investment: public and private . . . . .     | 24 |
| 2.4. Decisions about private investments in agriculture . . . . .   | 25 |
| <br>  |    |
| 3. POPULATION: OPINIONS AND FACTS . . . . .                         | 27 |
| 3.1. Three points of view . . . . .                                 | 27 |
| 3.2. The rate of population growth . . . . .                        | 30 |
| <br>  |    |
| 4. ESTIMATES OF POPULATION GROWTH . . . . .                         | 33 |
| 4.1. A startling new estimate . . . . .                             | 33 |

|       |  |    |
|-------|--|----|
| 4.2.  | Beyond 1980 . . . . .  | 34 |
| 4.3.  | Possible problem areas . . . . .                             | 35 |
| 5.    | TRENDS IN FOODPRODUCTION . . . . .                           | 36 |
| 5.1.  | Indexnumbers of foodproduction . . . . .                     | 36 |
| 5.2.  | Production per caput increased but with exceptions . . . . . | 37 |
| 5.3.  | Production by type of food . . . . .                         | 39 |
| 5.4.  | The area now being used . . . . .                            | 40 |
| 5.5.  | The foodproblem is not worldwide . . . . .                   | 42 |
| 5.6.  | Sharp differences between nations . . . . .                  | 43 |
| 6.    | THE SUPPLY OF FOOD . . . . .                                 | 45 |
| 6.1.  | World trade in food is small . . . . .                       | 45 |
| 6.2.  | Stocks and "surplusses" . . . . .                            | 46 |
| 6.3.  | Foodsupply per caput . . . . .                               | 48 |
| 6.4.  | Foodposition in various regions . . . . .                    | 49 |
| 7.    | FORECASTING THE DEMAND FOR FOOD . . . . .                    | 52 |
| 7.1.  | Factors involved . . . . .                                   | 52 |
| 7.2.  | Consequences of an increase in purchasing power . . . . .    | 52 |
| 7.3.  | Income elasticity of spending for food . . . . .             | 53 |
| 7.4.  | Few data for underdeveloped countries . . . . .              | 54 |
| 7.5.  | F.A.O.'s first forecast . . . . .                            | 55 |
| 7.6.  | A revised estimate . . . . .                                 | 56 |
| 7.7.  | Assumptions for a forecast of fooddemand . . . . .           | 57 |
| 7.8.  | A simple check-estimate . . . . .                            | 58 |
| 7.9.  | Estimates compared . . . . .                                 | 60 |
| 7.10. | Increase in requirements per continent . . . . .             | 61 |
| 8.    | THE SCOPE FOR AN INCREASE IN PRODUCTION . . . . .            | 63 |
| 8.1.  | Two ways to increase production . . . . .                    | 63 |
| 8.2.  | Long term rate of increase in foodproduction . . . . .       | 63 |
| 8.3.  | Past improvements in yields . . . . .                        | 64 |
| 8.4.  | Future improvements in yield . . . . .                       | 65 |
| 8.5.  | Increase in area . . . . .                                   | 67 |
| 8.6.  | Problems of meeting future demand . . . . .                  | 68 |
| 8.7.  | How much to expect from each factor? . . . . .               | 71 |
| 8.8.  | What beyond 1980? . . . . .                                  | 72 |
| 9.    | TYPE AND LEVEL OF INVESTMENTS . . . . .                      | 73 |
| 9.1.  | Public and private investments . . . . .                     | 73 |
| 9.2.  | Collecting information on investments . . . . .              | 74 |
| 9.3.  | Overall figures on investments in agriculture. . . . .       | 75 |

CONTENTS

VII

|       |  |     |
|-------|--|-----|
| 9.4.  | Levels of programmed investments . . . . .                       | 79  |
| 9.5.  | The range of total investment . . . . .                          | 80  |
| 10.   | INVESTMENTS FOR NEW LAND AND FOR<br>LANDIMPROVEMENTS . . . . .   | 84  |
| 10.1  | Introduction . . . . .   | 84  |
| 10.2  | The costs of projects of various types. . . . .                  | 84  |
| 10.3  | Hypothetical program for landdevelopment and its costs . . . . . | 85  |
| 10.4  | Investments for improvement . . . . .                            | 87  |
| 10.5  | The estimate of total public investments . . . . .               | 88  |
| 10.6  | The foreign exchange component . . . . .                         | 90  |
| 11.   | COMPARISON WITH OTHER ESTIMATES. . . . .                         | 91  |
| 11.1  | The U.N. estimate . . . . .                                      | 91  |
| 11.2. | Some further estimates . . . . .                                 | 93  |
| 12.   | AN OUTLINE OF REQUIRED RESEARCH . . . . .                        | 97  |
|       | SUMMARY . . . . .  | 100 |
|       | ANNEXES . . . . .  | 103 |
|       | LITERATURE . . . . .   | 141 |
