

# NURIA RIAL J.S.BACH "ARIAS" *Chronik der Anna Magdalena Bach*

On this CD soprano Nuria Rial and the kammerorchester basel create a musical portrait of a woman who was more than just Bach's second wife: Anna Magdalena was also a virtuoso singer and a sought-after soloist in her day.

With beautiful arias which Bach wrote especially for his beloved wife, repertoire that she definitely performed and works from her musical surroundings, this CD gives a closer look to a very special singer.
