APPENDIX: "Therapists' Anger, Hate, Fear, and Sexual Feelings: National Survey of Therapist Responses, Client Characteristics, Critical Events, Formal Complaints, and Training"	157

INDEX	183
ABOUT THE AUTHORS	193

The title of the 1993 first edition of this book was *Sexual Feelings in Psychotherapy: Explorations for Therapists and Therapists-in-Training*. The new title for the second edition—*What Therapists Don't Talk About and Why: Understanding Taboos That Hurt Us and Our Clients*—reflects a greatly expanded scope that focuses on a variety of other topics in addition to sexual feelings.
