**News**

**5 World News**

**Australasia**

**10 100 up for a hydropower icon**

The Waddamana A Power Station in Tasmania recently celebrated its 100th anniversary.

**14 A lasting legacy**

Details on an ANCOLD and NZCOLD event to be held in October 2016.

**16 Shovels at the ready**

The Australian Prime Minister has been speaking about government plans for record investment in infrastructure – will this include dams?

**20 Conference call**

Promoting best practice in tunnel design, construction and maintenance.

**Project management**

**22 Tunnel tasks**

Major tunnelling work in Peru and Georgia have been among key recent construction challenges for international hydro projects.

**26 Commending the hydro community**

Commending outstanding contributions to the industry from members of the US hydro sector.

**30 A thirsty future**

Freshwater scarcity will be a difficult and important challenge to overcome this century. Dam construction is seen as one solution to help increase water supplies.

**34 Advancing small hydro in New Hampshire**

Members of the Granite State Hydropower Association are working hard to advance development.

**Sedimentation**

**38 The challenge of sediment management**

Nigerian hydro plants and Alpine water intakes have been the focal points of recent sedimentation research efforts.

**41 Cleaning up**

Dredgers have been put to use at reservoirs in Peru and Algeria.

**Upgrading & refurbishment**

**42 Upgrading Kangaroo Creek**

Upgrading work has been carried out at the Kangaroo Creek Dam in Victoria, Australia.

**Cover: Hydro Tasmania's Waddamana**

A power station recently celebrated its 100th birthday with a special photography competition. The winning image of a reflection in a gauge was taken by Howard Colvin.
