1.6 Recommended actions for academic institutions	25
2 National strategies concerning entrepreneurship education at university level	28
2.1 National strategies in the Czech Republic	28
2.2 National strategies in Hungary	31
2.3 National strategies in Poland	34
2.4 National strategies in the Slovak Republic.....	37
2.5 Discussion and Conclusion.....	41
3 Education – Andragogy: Methods of teaching and learning	43
4 Entrepreneurship education at universities / analysis of selected curricula	52
4.1 Introduction to Education System at Universities in V4 Countries.....	52
4.2 Methodology and the Sample of Study Programs Analysis	56
4.3 Results of the Study Programs Analysis.....	58
4.4 Examples of Best Subjects for Entrepreneurship	61
4.5 Conclusions and Recommendations	63
5 Entrepreneurial intentions and plans of university students from Visegrad countries – key findings from questionnaire survey	66
5.1 Rationale and objectives of the study	66
5.2 Data.....	66
5.3 Methods	67
5.4 Sample characteristics	68

5.5	Results	71
5.6	Conclusions	77
5.7	Limitations and opportunities for future research	77
6	Key findings from focus groups research	79
6.1	Introduction	79
6.2	Methodology of focus groups research	79
6.3	Research design and pilot study	82
6.4	Partial results from each country	82
6.5	Conclusion	94
7	In-depth interviews with entrepreneurs and experts	96
7.1	Methodology	96
7.2	Sample – Structure of respondents	97
7.3	Key outputs	101
7.3.1	External conditions (environment) for starting business	101
7.3.2	Individual background of an entrepreneur	103
7.3.3	Entrepreneurship and educational system (university education)	108
7.3.4	Recommendations for entrepreneurial education at universities	109
7.3.5	Experience from being an entrepreneur	110
7.3.6	Concluding remarks from interviews with entrepreneurs and experts	111
8	Best Practices	112
8.1	Examples of Best Practices in the Slovak Republic	112
8.1.1	AmCham Slovakia’s Committee on Business – Academic Cooperation	113
8.1.2	The Carrer Day at the Slovak University of Agriculture in Nitra	113
8.1.3	Operational Program Education in relation to the best practice	114
8.1.4	Operational Program Research and Development	114
8.1.5	Dialogue - Bridges between Research and Practice in University Lifelong Learning	115
8.2	Examples of Best Practices in the Czech Republic	116
8.2.1	Examples of Best Practices at Czech universities	116
	xPORT Business Accelerator – University of Economics in Prague	116
8.2.2	Business Clubs and startup competitions	117
8.2.3	University of West Bohemia in Pilsen – project UNIPRANET and the Entrepreneurship Centre at the Faculty of Economics	118

8.2.4	Cooperation between universities and regions	119
8.2.5	Cases of insufficient sustainability	119
8.3	Examples of Best Practices in Hungary	120
8.4	Examples of Best Practices in Poland	124
8.4.1	Programs and specializations	124
8.4.2	Business teaching methods.....	125
8.4.3	The involvement of student organizations	126
8.4.4	Educational events.....	126
8.4.5	Academic Business Incubator (ABI).....	127
8.4.6	Support for teaching faculty	128
8.5	Conclusions	128
9	Conclusions and Recommendations	130
9.1	Conclusions	130
9.2	Recommendations	133
	References	135
	Summary	146
