<b>Introduction .....</b>	<b>11</b>
<i>Zbyněk Veselský</i>	
<b>Editorial comment .....</b>	<b>13</b>
<i>Christopher Chapple</i>	
<b>1 History of Urology in Bohemia .....</b>	<b>15</b>
<i>Zbyněk Veselský, Petr Macek</i>	
<b>2 General Urology .....</b>	<b>19</b>
<i>Zbyněk Veselský</i>	
<b>2.1 Urological examination .....</b>	<b>19</b>
2.1.1 Patient's (medical) history .....	19
2.1.2 Symptoms of urological diseases .....	20
2.1.3 Physical examination .....	22
2.1.4 Laboratory examination .....	23
2.1.5 Radioisotopic methods applied in urology .....	27
2.1.6 Instrumental examination .....	28
2.1.7 X-rays methods and other imaging techniques .....	32
2.1.8 Urodynamic study .....	36
<b>2.2 Basic urological surgery – overview .....</b>	<b>38</b>
2.2.1 Open surgery .....	38
2.2.2 Endoscopy .....	42
2.2.3 Laparoscopy .....	42
2.2.4 Extracorporeal Shock Wave Lithotripsy .....	42
<b>2.3 Basics of TNM and histological classification in urooncology .....</b>	<b>43</b>
<b>3 Special Urology .....</b>	<b>45</b>
<b>3.1 Congenital anomalies of the genitourinary tract .....</b>	<b>45</b>
<i>Petr Morávek</i>	
3.1.1 Congenital anomalies of the upper urinary tract .....	46
3.1.2 Congenital anomalies of the lower urinary tract .....	57
3.1.3 Congenital anomalies of male genitalia .....	59

<b>3.2 Urinary tract infections .....</b>	<b>64</b>
<i>Zbyněk Veselský, Miroslav Förstl</i>	
3.2.1 Infection pathways .....	65
3.2.2 Cystitis, urethritis .....	67
3.2.3 Acute (bacterial) prostatitis .....	68
3.2.4 Acute epididymitis .....	69
3.2.5 Acute pyelonephritis (acute infectious tubulointerstitial nephritis) .....	69
3.2.6 Urosepsis .....	70
3.2.7 General principles of UTI diagnosis .....	71
3.2.8 UTI treatment .....	72
3.2.9 Rare genitourinary tract infections .....	72
3.2.10 Tuberculosis of genitourinary tract (specific infections) .....	74
<b>3.3 Urinary stone disease (urolithiasis) .....</b>	<b>76</b>
<i>Zbyněk Veselský</i>	
<b>3.4 Urinary tract obstructions .....</b>	<b>85</b>
<i>Petr Morávek, Zbyněk Veselský</i>	
3.4.1 Benign prostatic hyperplasia .....	85
3.4.2 Urethral stricture in men .....	89
3.4.3 Upper urinary tract obstruction .....	90
<b>3.5 Urooncology .....</b>	<b>92</b>
3.5.1 Precanceroses in urology .....	92
<i>Petr Prošvic</i>	
3.5.2 Renal tumours .....	96
<i>Petr Morávek</i>	
3.5.3 Tumours of the ureter .....	105
<i>Petr Morávek, Zbyněk Veselský</i>	
3.5.4 Urinary bladder tumours .....	106
<i>Petr Morávek</i>	
3.5.5 Prostate cancer .....	112
<i>Petr Morávek</i>	
3.5.6 Tumours of the testis .....	118
<i>Zbyněk Veselský</i>	
3.5.7 Tumours of the penis and the scrotum .....	126
<i>Zbyněk Veselský</i>	
3.5.8 Adrenal and retroperitoneal tumours .....	129
<i>Zbyněk Veselský, Petr Macek</i>	
<b>3.6 Urinary tract fistulas .....</b>	<b>133</b>
<i>Zbyněk Veselský</i>	
<b>3.7 Neurogenic voiding dysfunctions .....</b>	<b>134</b>
<i>Petr Morávek, Zbyněk Veselský, Petr Macek</i>	
3.7.1 Urinary incontinence .....	136
3.7.2 Enuresis .....	140

3.7.3	Types of neurogenic voiding dysfunctions .....	140
3.7.4	Spinal shock .....	143
<b>3.8</b>	<b>Urological traumatology .....</b>	<b>144</b>
	<i>Zbyněk Veselský, Petr Macek</i>	
3.8.1	Kidney injuries .....	144
3.8.2	Ureter injuries .....	146
3.8.3	Urinary bladder injuries .....	147
3.8.4	Injuries of urethra .....	149
3.8.5	External genital injuries .....	151
<b>3.9</b>	<b>Emergencies in urology .....</b>	<b>153</b>
	<i>Zbyněk Veselský</i>	
3.9.1	Adrenal gland .....	153
3.9.2	Kidney .....	154
3.9.3	Ureter .....	157
3.9.4	Urinary bladder .....	157
3.9.5	Penis .....	159
3.9.6	Scrotum .....	161
<b>3.10</b>	<b>Erectile dysfunction .....</b>	<b>165</b>
	<i>Zbyněk Veselský, Petr Macek</i>	
<b>3.11</b>	<b>Andrology .....</b>	<b>169</b>
	<i>Zbyněk Veselský</i>	
<b>3.12</b>	<b>Renal failure .....</b>	<b>171</b>
	<i>Zbyněk Veselský</i>	
3.12.1	Acute renal failure .....	172
3.12.2	Chronic renal failure .....	177
<b>3.13</b>	<b>Renal transplants .....</b>	<b>180</b>
	<i>Petr Macek</i>	
3.13.1	Renal transplant indication and the recipient preparation .....	182
3.13.2	Kidney harvesting and storage .....	183
3.13.3	HLA tissue matching and recipient selection .....	185
3.13.4	Pretransplant arrangements and surgery .....	185
3.13.5	Postoperative care .....	186
3.13.6	Immunosuppression and rejection .....	187
3.13.7	Renal transplant complications .....	188
<b>3.14</b>	<b>General anaesthesia in urology .....</b>	<b>190</b>
	<i>Vlasta Dostálová</i>	
<b>3.15</b>	<b>Physiological laboratory values .....</b>	<b>207</b>
	<i>Petr Macek, Miroslav Förstl</i>	
	<b>Common abbreviations .....</b>	<b>213</b>
	<b>Author .....</b>	<b>219</b>
	<b>Index .....</b>	<b>221</b>
