News

4 World News

Special feature

8 A matter of perception

Public perception is often believed to be linked to the hydropower industry's licence to operate so, ultimately, it affects us all. But what factors can help shape the public's perception of hydropower? How accurate is this? And is it easy to change?

South America

18 Facing up to regret and responsibility

An independent expert panel has published its findings into the immediate causes of the Fundão Tailings Dam failure which occurred in Brazil in November 2015.

22 Hydro in the South

Hydro development continues to hit the headlines in South America.

24 Wide-reaching event

The 6th Small Hydro Latin America event will be taking place on 30th November - 1st December in Medellin, Colombia. This anticipated gathering will congregate leading stakeholders across the hydro sector to interact and build relationships with industry peers and acquire valuable insights.

Environment

26 Watering the seeds

The High Level Panel on Water has unveiled a transformative agenda,

27 Upgrades for Caversham Weir

ECS Engineering Services has installed stainless steel sluice gates and an environmentally friendly eel pass.

28 Acrobatic Ibex: the story of a dam climbing goat

The fascinating tale of the Alpine Ibex, and how their dam climbing antics have come to public attention.

Water storage

30 Time for more water storage

Could more water storage help pave the way for a prosperous future in California?

32 Unprecedented and rare

Pressures on Hydro Tasmania's dam storage investigated.

Safety

30 Bending the spillway flow for safety upgrades

Discussing spillway adaptations at 12 dams in Sweden.

32 Thinking beyond the unthinkable

Looking at The Netherlands approach to flood management.
