

The Companion You Need to Succeed in Your Human Geography Course!

You'll find all the material you need to succeed in this course included with your copy of **HUMAN GEOGRAPHY, 6/e**. This Student Companion comes with every copy of the text and contains 3 valuable tools to guide you through the semester and get the best grade possible!

The Student Companion includes:

1. **The Study Guide**—You'll be able to better prepare for upcoming exams with this helpful guide. Inside, you'll find a combination of true/false, multiple-choice, and conceptual questions that test your understanding of the material.
2. **Take Note!**—This convenient notebook includes a collection of figures and tables based on the overheads and slides provided to your instructor, plus a variety of base maps. During the class, you'll be able to take notes directly on the figures or tables, and refer to them as you study for exams.
3. **The Virtual Field Guide and Website**—Experience firsthand the geographic principles featured in the text with this interactive guide. *The Guide* contains hands-on print and Web exercises that are tied directly to the text. With each activity, you'll visit the *Virtual Field Guide Website* to view an exciting range of pre-selected sites. A personal password to the site is included in this companion.
