Introduction to cultural and social anthropology.....	1
Cultural anthropology (end of 19 <sup>th</sup> , beginning of 20 <sup>th</sup> century).....	1
A cultural anthropology method.....	1
The nature of the reality as the method starting point.....	1
A comparative method.....	2
<i>First systematic interpretation of the comparative method - sir Edward Tylor - 19th century</i> .....	2
System of a cultural codification.....	2
Drawbacks of the comparative method.....	2
The features of the humanity (Except the biological nature).....	4
A Status and a role.....	4
1    What is anthropology.....	6
I    Introduction.....	6
II   Adaptation, Variation, and Change.....	6
III  General Anthropology.....	6
IV   Cultural Forces Shape Human Biology.....	7
V    The Subdisciplines of Anthropology.....	7
VI   Applied Anthropology.....	8
VII  Anthropology and Other Academic Fields.....	8
2    What is ethnography.....	10
I    Ethnography is the firsthand personal study of a local cultural setting.....	10
II   Ethnographic Techniques.....	10
III  Field Work in Archaeological Anthropology.....	10
IV   Grant Proposal.....	11
V    Ethics (American Anthropological Association (AAA) Code of Ethics, 1997)....	11
VI   Survey Research.....	12
VII  Anthropological Research in Complex Societies.....	12
3    Culture.....	13
I    Introduction.....	13
II   What Is Culture?.....	13
III  Universality, Particularity, and Generality.....	14
IV   Mechanisms of Cultural Change.....	15
V    Globalization.....	15
4    Cultural exchange and survival.....	16
I    Contact and Domination.....	16
II   Resistance and Survival.....	16
III  Making and Remaking Culture.....	16
IV   Linkages.....	17
5    Language and communication.....	18

I	<i>Introduction</i> .....	18
II	<i>Animal Communication</i> .....	18
III	<i>Nonverbal Communication</i> .....	18
IV	<i>The Structure of Language</i> .....	18
V	<i>Language, Thought, and Culture</i> .....	19
VI	<i>Sociolinguistics</i> .....	19
VII	<i>Historical Linguistics</i> .....	20
VIII	<i>Cyberspace: A New Realm of Communication</i> .....	20
6	<b>Ethnicity and race</b> .....	21
I	<i>Ethnic Groups and Ethnicity</i> .....	21
II	<i>Ethnic Groups, Nations, and Nationalities</i> .....	21
III	<i>Peaceful Coexistence</i> .....	21
IV	<i>Roots of Ethnic Conflict</i> .....	22
V	<i>Introduction to Race</i> .....	22
VI	<i>Social Race</i> .....	23
VII	<i>Race: A Discredited Concept in Biology</i> .....	23
7	<b>Evolution and genetics</b> .....	25
I	<i>Creationism, Catastrophism, and Evolution</i> .....	25
II	<i>Genetics</i> .....	25
III	<i>Population Genetics</i> .....	25
IV	<i>Mechanisms of Genetic Evolution</i> .....	26
V	<i>Human Biological Adaptation</i> .....	27
8	<b>Gender and marriage</b> .....	28
I	<i>Introduction</i> .....	28
II	<i>Gender among Foragers</i> .....	28
III	<i>Gender among Horticulturalists</i> .....	28
IV	<i>Sexualities and Gender</i> .....	29
V	<i>Gender among agriculturalists</i> .....	29
VI	<i>Patriarchy and Violence</i> .....	29
VII	<i>What Determines Gender Variation?</i> .....	30
VIII	<i>Introduction to marriage</i> .....	30
IX	<i>Same-Sex Marriage</i> .....	30
X	<i>Incest and Exogamy</i> .....	30
XI	<i>Explaining the Taboo</i> .....	31
XII	<i>Endogamy</i> .....	31
XIII	<i>Marriage in Tribal Societies</i> .....	31
XIV	<i>Divorce</i> .....	32
XV	<i>Plural Marriages</i> .....	32
9	<b>Religion</b> .....	34
I	<i>Introduction</i> .....	34

II	<i>Origins, Functions, and Expressions of Religion</i> .....	34
III	<i>Religion and Cultural Ecology</i> .....	35
IV	<i>Social Control</i> .....	35
V	<i>Kinds of Religion</i> .....	35
10	Political systems .....	37
I	<i>Introduction</i> .....	37
II	<i>Bands and Tribes</i> .....	37
III	<i>Chiefdoms</i> .....	38
IV	<i>States</i> .....	38
V	<i>The Origin of the State</i> .....	39
11	The modern world system .....	41
I	<i>The Emergence of the World System</i> .....	41
II	<i>Industrialization</i> .....	41
III	<i>Stratification</i> .....	42
IV	<i>The World System Today</i> .....	42
12	The creation of modern European nations, their liberation and the democratization of European society in the 19th century .....	44
I	<i>Characteristic Features of Economic and Social life at the 18th Century</i> .....	44
II	<i>Industrial Revolution and its Influence on Development of Economic Political and Social Relations in European Continent</i> .....	47
13	European integration: the development of ideas and their implementation .....	58
I	<i>Ideas of Broader Co-operation in Europe and the Possibilities of their Implementation in the 19th Century</i> .....	58
II	<i>The Development of Ideas of European Integration in the First Half of the 20th Century</i> .....	59
III	<i>Periodicities of the Process of European Integration Development</i> .....	60
IV	<i>The Stage of European Integration Starting Points Creation (1945 - 1950)</i> .....	61
V	<i>The Period of Economic and Social Development of European Countries and the integration Dynamism (1951 - 1973)</i> .....	61
VI	<i>Creation of the European Economic Community</i> .....	62
