INDEX

Page number following “p” indicates plates; number followed by “n” or “t” indicates note or table; number in bold or italic refers to illustration or map, respectively.

Major sites of tombs are entered on their own; minor sites or sites with fewer references are entered under the main heading “tombs”. Similarly, the major tomb occupants are entered on their own, minor ones are entered under the main heading “tombs”. The same rule also applies to the sites of excavated texts with minor ones entered under the main heading “excavated texts”.
