Mykologický sborník

Editor-in-Chief: Jaroslav Landa, jaroslav.landa@gmail.com

Editorial Board: Jiří Burel, Bohumil Bušek, Radim Dvořák, Vavřinec Klener, Václav Matějka, Michal Mikšík, Lubomír Opat, Petr Pumr, Anna Švecová, Tereza Tejklová, Aleš Vít

Design and DTP Specialist: Tomáš Opat, tomas.opat@hotmail.com

Subscription: € 15 (Europe), € 20 (other countries).

Contents of No. 3/2016

Leading article by CzMS Managing board (p. 67); Tereza Tejklová, Jan Kramoliš: *Cortinarius bulliardii* (Cortinariaceae, Telamonia) - a distinct species of warm-temperate oak-hornbeam forests (p. 68); Vavřinec Klener: Two *Gyromitra* species - *perlata* and *esculenta* - found growing on less common substrates - wood of broadleaved trees (p. 78); The main articles, as listed in the Table of Contents, are provided with English-language summaries. In addition, the present issue of *Mykologický sborník* contains also articles written by its readers, news from CzMS mycological clubs and branches, recipes of mushroom meals as well as other interesting contributions.
