

Foreword	V
How to use this book.....	VI
JAA exam questions & time limits.....	VII

Performance - Aeroplane

032-01 General	
032-01-01 Performance Legislation	3
032-01-02 General Performance Theory	4
032-02 Performance Class B - Single-Engine Aeroplanes	
032-02-01 Definitions of Speeds Used.....	29
032-02-02 Effect of Variables on Single-Engine Aeroplane Performance.....	29
032-02-03 Takeoff and Landing.....	30
032-02-04 Climb, Cruise and Descent	31
032-02-05 Use of Aeroplane Performance Data	32
032-03 Performance Class B - Multi-Engine Aeroplanes	
032-03-01 Definitions of Terms and Speeds	41
032-03-02 Effect of Variables on Multi-Engine Aeroplane Performance	43
032-03-03 Use of Aeroplane Performance Data	48
032-04 Performance Class A - Aeroplanes Certificated Under Cs 25 Only	
032-04-01 Take-off	57
032-04-02 Climb.....	87
032-04-03 Cruise.....	92
032-04-04 En-route One Engine Inoperative	103
032-04-05 Descent.....	107
032-04-06 Approach and Landing.....	108

Performance - Helicopter

034-01 General	
034-01-01 Performance Legislation	117
034-01-02 General Performance Theory	119
034-02 Performance Class 3 - Single-Engine Helicopters Only	
034-02-01 Effects of Variables on Single-Engine Helicopter Performance	129
034-02-02 Takeoff and Landing, Including Hover.....	131
034-02-03 Climb, Cruise and Descent	131
034-02-04 Use of Helicopter Performance Data	132
034-03 Performance Class 2	
034-03-01 Intentionally Left Blank	
034-03-02 Takeoff	133
034-03-03 Takeoff Flight Path	134
034-03-04 Landing	135
034-04 Performance Class 1 - Helicopters Certificated Under Cs 29 Performance Class 1	
034-04-01 Takeoff	137
034-04-02 Climb.....	139
034-04-04 En-route One Engine Inoperative	139
034-04-05 Descent.....	140
034-04-06 Landing	140

Picture Supplements - Aeroplane Questions	143
Picture Supplements - Aeroplane Explanations	165
Picture Supplements - Helicopter Questions	221
Picture Supplements - Helicopter Explanations	225
