

GIACOMO PUCCINI

IL TRITTICO

The dark, dangerous drama of *Il tabarro*, the heart-wrenching pathos of *Suor Angelica*, the merciless comedy (leavened with youthful romance) of *Gianni Schicchi* – Puccini's scores for his triptych of one-act operas are as compelling for their subtlety as for their theatrical flair. Conducted with mastery by Sir Antonio Pappano, *Il trittico* is peopled by a magnificent cast that includes Angela Gheorghiu, Roberto Alagna, José van Dam, Cristina Gallardo-Domâs, Carlo Guelfi, Maria Guleghina and Neil Shicoff.
