Preface .....	xi
1. Preliminaries .....	1
1.1. Goals .....	1
1.2. Assumptions about the Structure of Linguistic Theory .....	2
1.3. Lexicalism and Interpretivism .....	5
2. Motivation for the $\bar{X}$ Convention .....	7
2.1. Chomsky's Arguments .....	7
2.2. Adjectives and Nouns .....	18
2.3. Adjectives and Adverbs .....	23
2.4. Coming Attractions .....	26
3. A Theory of Phrase Structure .....	29
3.1. Reformulation of the $\bar{X}$ Convention .....	29
3.2. The Syntactic Distinctive Features .....	31
3.3. The Phrase Structure Rule Schema .....	33
3.4. The Generalized Subject Relation .....	37
3.4.1. Modifying Chomsky's Analysis .....	38
3.4.2. Arguments for the Uniform-Level Subject Relation .....	42
3.4.3. Treatment of the Complementizer .....	45
3.5. The Auxiliary .....	47
3.6. Two Exceptions to the Uniform Three-Level Hypothesis .....	50
3.7. Summary and Generalization of Rules .....	53
3.8. Glossary of Lexical and Syntactic Categories .....	56
4. Complements .....	57
4.1. The Three Levels of Complements .....	57
4.2. The V' and N' Complements .....	64
4.2.1. Easy Parts of V' .....	64
4.2.2. Particles and Predicates .....	66
4.2.3. The N' Complement .....	69
4.2.4. Generalization of V' and N' and the Definition of Object .....	71
4.3. The V'' and N'' Complements .....	72
4.4. Complements of [-Subj] Categories .....	76
4.4.1. Adjectives .....	76

CONTENTS

4.4.2. Adverbs .....	78
4.4.3. Prepositions .....	78
4.4.4. Particles .....	79
4.4.5. Case Markers and Prepositions .....	80
4.5. Generalization of Phrase Structure Rules .....	81
4.6. Summary .....	85
4.7. Appendix: The Passive and Related Rules .....	86
4.7.1. NP-Preposing .....	86
4.7.2. Agent-Postposing .....	88
4.7.3. NP-Postposing .....	90
4.7.4. The Determiner .....	92
4.8. Appendix: Arguments for Intraposition .....	95
4.9. List of Transformations .....	101
5. NP Specifiers .....	103
5.1. Introduction .....	103
5.2. Articles and Quantifiers .....	103
5.2.1. Semantic Roles of NP Specifiers .....	103
5.2.2. Phrase Structure Rules .....	104
5.2.3. <i>We</i> and <i>You</i> .....	106
5.3. The Partitive .....	106
5.3.1. Partitives as N' Complements .....	107
5.3.2. Position of the Quantifier in Partitive Constructions .....	110
5.3.3. The Partitive Constraint .....	111
5.3.4. Substantivization .....	114
5.4. Pseudopartitives .....	119
5.4.1. Arguments for the Construction .....	119
5.4.2. Pseudopartitive Specifier Constraints .....	123
5.5. Numerals .....	126
5.5.1. Comparison to Quantifiers and Group Nouns .....	126
5.5.2. Numerals as Nouns .....	128
5.5.3. Three Adjustment Rules .....	130
5.6. Summary .....	133
6. Specifiers of X''' .....	137
6.1. Introduction .....	137
6.2. Measure Phrases .....	137
6.3. Quantifier Phrases in X'' .....	141
6.4. Degree Phrases .....	143
6.4.1. Attachment of Deg''' to Q''' .....	144
6.4.2. The Degree System of Adjectives and Adverbs .....	146

## CONTENTS

6.4.3. Comparative Specifiers .....	147
6.4.4. <i>Enough</i> .....	150
6.4.5. Summary of Degree Words .....	156
6.5. Recursion in Degree Phrases .....	157
6.6. Summary of Rules .....	165
7. Relative Clauses .....	169
7.1. Introduction .....	169
7.2. Appositives .....	171
7.3. Interpretation of the Appositive Relative Pronoun .....	173
7.4. Constraints on the Determiner and the Head in Restrictives .....	177
7.5. Restrictive Relatives on Quantified NPs .....	182
7.6. Stacking of Restrictive Relatives .....	185
7.7. Conjoined Heads .....	190
7.8. Interpretation of the Restrictive Relative Pronoun .....	194
7.9. Appendix: Against the Conjoined Source for Appositives .....	197
8. Degree Clauses .....	201
8.1. Introduction .....	201
8.2. The Extraposition Theory and its Evidence for the $\bar{X}$ Convention ....	201
8.3. Arguments against Extraposition of Degree Clauses .....	207
8.4. A Generalization in the $X''$ -Complement Theory .....	209
8.5. The Location of the Binding Degree Word .....	211
8.6. Why an Interpretive Theory Is Needed .....	214
8.7. Interpreting PRO .....	218
8.8. Recapitulation .....	219
9. Deverbalizing Rules .....	221
9.1. The Deverbalizing Rule Schema .....	221
9.2. Gerundive Nominals .....	222
9.3. Tensed Complements and Free Relatives .....	224
9.4. Gerundive PPs .....	226
9.5. Passive VPs .....	232
9.6. Final Remarks .....	234
10. More General Implications .....	239
10.1 Explanatory Adequacy .....	239
10.2. The Challenge for Semantics .....	241
References .....	245
