Introduction	11
Chapter 1 Housing in 2016	13
1.1 Macroeconomic context.....	13
1.1.1 <i>Gross domestic product</i>	13
1.1.2 <i>Gross domestic product (diagram)</i>	14
1.2 The results of the 2011 Population and Housing Census.....	14
1.3 Intermediary real estate market	15
Chapter 2 Housing policy and housing support in 2016	18
2.1 Housing Policy Concept by 2020 (revised)	18
2.2 Actions by the MRD and the SHDF in social housing	20
2.2.1 <i>Social dwellings subsidized by MRD</i>	20
2.2.2 <i>Social dwellings subsidized by SHDF</i>	20
2.2.3 <i>Social dwellings acquired with the support of the MRD and the SHDF in individual municipalities</i>	21
2.3 Legislation for 2016	32
2.3.1 <i>Court decision on dwelling rent – number of cases (files)</i>	33
2.3.1.1 <i>Court decision on dwelling rent – number of cases (files)</i>	33
2.4 Government housing expenditures (in millions CZK)	34
2.4.1 <i>Government housing expenditures ((in millions CZK)</i>	34
2.4.2 <i>Total government expenditure by the purpose of COFOG housing classification in 2015</i> . 35	
2.5 Support by the Ministry of Regional Development	36
2.5.1 Support of regeneration of estates of prefabricated concrete buildings	36
2.5.1.1 <i>Overview of applications and their acceptance in 2016</i>	36
2.5.2 Support of construction of technical infrastructure.....	36
2.5.2.1 <i>Overview of applications and their acceptance in 2016</i>	37
2.5.3 Support of construction of supported housing	37
2.5.3.1 <i>Overview of applications and their acceptance in 2016</i>	37
2.5.4 Support of repairs of leaden house distribution systems	37
2.5.4.1 <i>Overview of applications and their acceptance in 2016</i>	37
2.5.5 State support of mortgage loans for housing construction.....	37
2.5.5.1 <i>Number of dwellings acquired with awarded government financial aid</i>	40
2.5.5.2 <i>Government financial aid paid off to mortgage loans from 1996 (CZK mil)</i>	41
2.5.6.1 <i>Territorial overview of support under the Housing Support Program 2014 – 2016 (by district)</i>	42
2.6 Support by the State Housing Development Fund	43
2.6.1–7 Support by the State Housing Development Fund.....	43
2.7 Support by the Ministry of Labour and Social Affairs	47
2.7.1 <i>Housing allowances and supplements for housing in 2015 and 2016 (including international indexes)</i>	48
2.7.2 <i>Social benefits per person for housing (in PPS) destined to private households and individuals provided on the system basis of the social protection (consist of transfer), in financial or in natural form</i>	49

2.7.2.1 Social benefits per person for housing (in PPS) destined to private households and individuals provided on the system basis of the social protection (consist of transfer), in financial or in natural form in 2014 50

2.7.3.1 – 2.7.7.2. Number of paid housing allowances assigned for December 2016 by number of members of households, upper limit of the contribution and the size of the municipality, the legal reason for using the flat 51

2.7.8 - 11 Number of paid housing allowances assigned for December 2016 by number of members of households, age of recipients, and municipality size, household inhabiting co-operative dwellings 52

2.8	Support by the Ministry of Finance – building savings	58
2.8.1	Development of construction savings between 2003 - 2016.....	58
2.8.2	Development of deposits and credits.....	59
2.8.3	Number of newly signed contracts.....	59
2.8.4–5	Purpose of usage of credits in 2016	60
2.8.6	State support and its share on GDP	61

Chapter 3 Housing – housing and dwelling stock according to so-called final results of 2011 census 62

3.1	Population, private households, and housing.....	63
3.1.1–4	Population, private households, and housing according to the 2011 census	64
3.2	Houses.....	67
3.2.1–5	Houses according to the 2011 census.....	68
3.3	Dwellings, housing.....	72
3.3.1–15	Dwellings, housing according to the 2011 census.....	73

Chapter 4 Housing construction..... 91

4.1	Housing construction in the Czech Republic – dwellings completed: 1948-2016.....	92
4.2	Housing construction in the Czech Republic: 1960-2016.....	93
4.3	Housing construction in the Czech Republic: 1971-2016.....	94
4.4	Housing construction (dwellings started, dwellings completed: quarters 2005-2016)	95
4.5	Dwellings completed by type of building: 1998-2016 (chart).....	96
4.6	Dwellings completed by type of building: 1998-2016 (graph).....	97
4.7	Construction time of houses and dwellings completed in 1997-2015 (in months)	97
4.8	Structure of dwellings completed between 1997 and 2015 by material of bearing walls (%)	98
4.9–10	Modernisation of dwelling stock: 1997-2016	98
4.11	Size of dwellings in completed family houses (1997-2015).....	99
4.12	Size of dwellings in completed multi-dwelling buildings (1997-2015)	100
4.13	Completed dwellings by floor area in the CR in 2015	100
4.14	Completed dwellings in family and multi dwelling houses by room lay out and floor area in the CR in 2015.....	101
4.15	Completed dwellings in regions in 2016.....	101
4.16	Housing construction by regions in 2016.....	102
4.17	Housing construction in 2016 – dwellings completed.....	102
4.18	Housing construction in 2016 – dwellings started	103
4.19	Number of completed dwellings in 2016 per 1,000 inhabitants (by districts)	104
4.20	Number of started dwellings in 2016 per 1,000 inhabitants (by districts).....	105
4.21	Average estimated value of construction of completed dwelling (thousand CZK)	106

4.22	<i>Average estimated value of construction per 1 m² of useful floor area of dwellings completed between 1997-2015 by sort of buildings and municipality size (CZK)</i>	107
Chapter 5 Construction		108
5.1	<i>Gross domestic product – value added (by economic activity)</i>	109
5.1.1	<i>Gross domestic product – value added (by economic activity)</i>	109
5.2	<i>Construction work "S" by type of construction, 2000-2015 (CZK mil., current prices)</i>	110
5.2.1	<i>Particular variety structure of new construction, reconstruction and modernisation in the Czech Republic 2000 – 2015</i>	111
5.3	<i>Floor area for residential buildings and non-residential buildings, for which building permits have been granted, 2005-2016</i>	112
5.3.1	<i>Floor area for residential buildings and non-residential buildings, for which building permits have been granted 2000–2016</i>	112
5.4	<i>Number of building permits (number of dwellings) – residential buildings, index (2010 = 100), EU 28</i>	113
5.5	<i>Production in construction, 2007-2016 (2010 = 100 %), EU 28</i>	113
Chapter 6 Energies		114
6.1	<i>Final consumption of energy in the CR for individual branches</i>	115
6.1.1	<i>Final consumption of energy in the CR for individual branches according to the Eurostat methodology for 1990–2015 in terajoules (TJ)</i>	115
6.1.1.1	<i>Final consumption of energy in the CR for individual branches according to the Eurostat methodology for 1990–2015 in petajoules (PJ)</i>	115
6.2	<i>Share of renewable energy for the whole national economy of the CR</i>	116
6.2.1	<i>Share of energy from renewable sources in gross final energy consumption and share of energy from renewable sources in heating and cooling for the whole national economy of EU countries in 2004-2015 (%)</i>	116
6.2.1.1	<i>The share of energy from renewable sources in gross final energy consumption and the share of renewable energy in heating and cooling across the national economy of EU countries in years 2004–2015 (%)</i>	117
6.2.2	<i>Estimate of the total numbers and installed output in kW of heat pumps in households</i> .	117
6.3	<i>Final consumption of energy by the households in the CR by consumed energy products</i>	118
6.3.1	<i>Final consumption of energy by the households in the CR by consumed energy products according to the Eurostat methodology for 1990–2015 in terajoules (TJ)</i>	118
6.3.1.1	<i>Final consumption of energy by the households in the CR by consumed energy products according to the Eurostat methodology for 1990–2015 in petajoules (PJ)</i>	119
6.3.2	<i>Final consumption of solid fuels and oil products by the households in the CR according to the Eurostat methodology for 1990–2015 in thousand tonnes (kt)</i>	119
6.4	<i>Final consumption of energy by the households in the EU countries</i>	120
6.4.1	<i>Final consumption of energy by the households in the EU countries according to the Eurostat methodology for 1990–2015 in terajoules (TJ)</i>	120
6.4.1.1	<i>Final consumption of energy by the households of the EU countries per inhabitant according to the Eurostat methodology for 1990–2015 in gigajoules (GJ)</i>	121
6.4.1.2	<i>Final consumption of energy by the households of the EU countries per square meter according to the Eurostat methodology for 1990–2014 in gigajoules (GJ)</i>	121
6.4.2	<i>Final consumption of energy by the households of the EU countries by consumed energy products according to the Eurostat methodology in 2015 in terajoules (TJ)</i>	123
6.4.2.1	<i>Final consumption of energy by the households of the EU countries per inhabitant by consumed energy products according to the Eurostat methodology in 2015 in gigajoules (GJ)</i>	124
6.4.2.2	<i>Final consumption of energy by the households in 23 EU member countries per m² by energy products according to the Eurostat methodology in 2015</i>	

in megajoules (MJ)	125
--------------------------	-----

Chapter 7 Prices 126

7.1	Consumer price index, December 2016 on average of 2005.....	128
7.2	Inflation rate (percentage change in last 12-month average over preceding 12-month average).....	129
7.3	Consumer price index – housing, December 2016	130
7.4	Consumer price index (CPI) (2005 = 100).....	131
7.5	Consumer price index (2005 = 100), total; housing, water, energy, fuel.....	132
7.6	Consumer price index (2005 = 100), total; food and non-alcoholic beverages; clothing and footwear; housing, water, energy, fuel; health	132
7.7	Average actual sale prices of family houses in the Czech Republic depending on municipality size (in CZK/m ³), year 2015.....	133
7.8	Average actual sale prices of family houses in the Czech Republic depending on level of wear (in CZK/m ³), year 2015	134
7.9	Indices of sale prices of family houses, 2010-2015.....	135
7.10	Average sale prices of dwellings in the Czech Republic depending on municipality size (in CZK/m ²), year 2011-2015.....	136
7.11	Average sale prices of dwellings in the Czech Republic depending on municipality size and level of wear (in CZK/m ²), year 2011-2015	137
7.12	Indices of sale prices of dwellings, 2010-2015.....	138
7.13	Indices of realized prices of new dwellings in Prague	139
7.14	Indices of realized prices of second-hand dwellings	140
7.15	Prices indices of dwellings – offering and realized prices	141
7.16	Average prices of multi-dwelling buildings in the Czech Republic depending on municipality size (in CZK/m ³), year 2011-2015	142
7.17	Indices of sale prices of multi-dwelling buildings, 2010-2015.....	143
7.18	Average sale prices of building plots in the Czech Republic by districts and municipality size (in CZK/m ²), year 2011-2015	144
7.19	Indices of sale prices of building plots, 2010-2015 (average 2010 = 100).....	149
7.20	Aggregate price indices of real estates, 2010-2015 (average 2010 = 100)	150
7.21	Aggregate price indices of real estates, 2010-2015 (corresponding period of previous year = 100).....	151
7.22.1–4	Financial affordability of housing	152
7.23	Harmonized index of consumer prices (HICP) – 2010, 2014 and 2015 and 2016, total and housing (EU, 2015 = 100) (%).....	154
7.24	House price index (EU, 2010 = 100) (%).....	155
7.25	Division of the capital city of Prague into areas (according to directive No. 460/2009 Coll.).....	156

Chapter 8 Costs of housing..... 157

8.1	Housing costs in 2015 (CZK).....	158
8.2	Share of expenditure on housing in 2015 by legal ground for use of dwelling (%)	158
8.3	Housing expenditure and share on net financial income by legal ground for use of dwelling for household of employees and pensioners in 2015 (%).....	159
8.4	Development of housing costs in the years 2005-2015 (households, total).....	159
8.5	Development of share housing costs on net financial income in the years 2006-2015	159
8.6	Household final consumption expenditure on housing – domestic concept (current prices – CZK million)	160
8.7	Housing expenditure per household and month by legal ground for use of dwelling	

	<i>in the year 2015 (CZK)</i>	160
8.8	<i>Housing consumption as share of total household consumption, current prices (2000, 2005, 2010-2015)</i>	161
	8.9.1 - 3 <i>Percentage of the population living in a household where the total housing costs (net of housing allowances) represent more than 40% of the total disposable household income (net of housing allowances) in 2015</i>	162
8.10	<i>Median of the distribution of the share of total housing costs (net of housing allowances) in the total disposable household income (net of housing allowances) in 2015 (%)</i>	164
Chapter 9 Loans for housing		165
9.1	<i>Loans to households – inhabitants for housing by the end of mentioned period – total (CZK mil., 2007-2016)</i>	165
9.2	<i>Average annual percentage rates of CZK loans provided by banks to inhabitants for housing in the CR (new business, % p.a.)</i>	166
9.3	<i>Non-performing ratio for loans provided to households – inhabitants and other households – associations of owners of individual dwellings (%), (2007-2016)</i>	167
9.4	<i>Mortgage loans newly provided to citizens by selected banks (2011-2016, quarters)</i>	168
9.5	<i>Mortgage loans newly provided by selected banks (2007-2016, years)</i>	169
9.6	<i>Outstanding principal of mortgage loans provided by selected banks (2007-2016, by the end of mentioned period)</i>	170
9.7	<i>Mortgage loans provided by selected banks in 2016 (by regions)</i>	171
9.8	<i>Mortgage loans provided by selected banks cumulated</i>	172
9.9–10	<i>Mortgage loans newly provided by selected banks to individual citizens (2005-2016), volume (CZK bil.), number</i>	174
9.11	<i>Overview of issued mortgage bonds as of 31st December, 2016</i>	175
