

Romance is in the air as soprano Anna Netrebko and tenor Yusif Eyvazov – partners both on and off the stage – celebrate their love in their first duet album together, performing songs specially written for them by Igor Krutoy, one of Russia's most popular songwriters. In this deluxe edition, these intense and tender songs are complemented with highlights from Netrebko's outstanding career, favourite arias and duets with a glittering array of the soprano's most illustrious colleagues.
