Correction:  
"When One Degree No Longer Fits All" (Focus on B-Schools, Nov. 20, 2017) incorrectly included "Business" in the Wharton School's name. The Methodology for the "Top 30 U.S. Schools" chart said it included alumni from the classes of 2008-10; actually, the classes included were 2009-11. This didn't affect survey results.
