|---|------------|
| <b>Glossary</b>   |            |
| John O. Cooper, Timothy E. Heron, William L. Heward                         | <b>1</b>   |
| <b>1. Definition and Characteristics of Applied Behavior Analysis</b>       |            |
| John O. Cooper, Timothy E. Heron, William L. Heward                         | <b>22</b>  |
| <b>2. Basic Concepts</b>  |            |
| John O. Cooper, Timothy E. Heron, William L. Heward                         | <b>44</b>  |
| <b>3. Selecting and Defining Target Behaviors</b>                           |            |
| John O. Cooper, Timothy E. Heron, William L. Heward                         | <b>68</b>  |
| <b>4. Measuring Behavior</b>  |            |
| John O. Cooper, Timothy E. Heron, William L. Heward                         | <b>92</b>  |
| <b>5. Improving and Assessing the Quality of Behavioral Measurement</b>     |            |
| John O. Cooper, Timothy E. Heron, William L. Heward                         | <b>122</b> |
| <b>6. Constructing and Interpreting Graphic Displays of Behavioral Data</b> |            |
| John O. Cooper, Timothy E. Heron, William L. Heward                         | <b>146</b> |
| <b>7. Analyzing Behavior Change: Basic Assumptions and Strategies</b>       |            |
| John O. Cooper, Timothy E. Heron, William L. Heward                         | <b>178</b> |
| <b>8. Reversal and Alternating Treatments Designs</b>                       |            |
| John O. Cooper, Timothy E. Heron, William L. Heward                         | <b>196</b> |
| <b>9. Multiple Baseline and Changing Criterion Designs</b>                  |            |
| John O. Cooper, Timothy E. Heron, William L. Heward                         | <b>220</b> |
| <b>10. Planning and Evaluating Applied Behavior Analysis Research</b>       |            |
| John O. Cooper, Timothy E. Heron, William L. Heward                         | <b>245</b> |
| <b>11. Positive Reinforcement</b>   |            |
| John O. Cooper, Timothy E. Heron, William L. Heward                         | <b>276</b> |
| <b>12. Negative Reinforcement</b>   |            |
| John O. Cooper, Timothy E. Heron, William L. Heward                         | <b>311</b> |

|  |            |
|--|------------|
| <b>13. Schedules of Reinforcement</b>                                      | <b>324</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>14. Punishment by Stimulus Presentation</b>                             | <b>344</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>15. Punishment by Removal of a Stimulus</b>                             | <b>374</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>16. Motivating Operations</b>   | <b>390</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>17. Stimulus Control</b>  | <b>408</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>18. Imitation</b>   | <b>426</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>19. Chaining</b>  | <b>434</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>20. Shaping</b>   | <b>454</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>21. Extinction</b>  | <b>468</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>22. Differential Reinforcement</b>                                      | <b>481</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>23. Antecedent Interventions</b>  | <b>498</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>24. Functional Behavior Assessment</b>                                  | <b>510</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>25. Verbal Behavior</b>   | <b>536</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>26. Contingency Contracting, Token Economy, and Group Contingencies</b> | <b>558</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>27. Self-Management</b>   | <b>583</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>28. Generalization and Maintenance of Behavior Change</b>               | <b>622</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>29. Ethical Considerations for Applied Behavior Analysts</b>            | <b>664</b> |
| John O. Cooper, Timothy E. Heron, William L. Heward                        |            |
| <b>Bibliography</b>  |            |
| John O. Cooper, Timothy E. Heron, William L. Heward                        | <b>685</b> |
