Introduction	8
1 The Evolution of Competitiveness Concepts	11
1.1 The Evolution of Competitiveness Approaches	11
1.2 Contemporary Economic Theories	14
1.3 Region as a Key Element of Competitiveness	16
1.4 Conclusion	18
2 The Non-measurable Approach to Macroeconomic Competitiveness.....	19
2.1 Current State of Knowledge.....	19
2.2 Theoretical Approach, Methodology and Data.....	19
2.3 Empirical Results of Non-measurable Approach	25
2.4 Conclusion	27
3 The Measurable Approach to Macroeconomic Competitiveness	29
3.1 Current State of Knowledge.....	29
3.2 Determinants of National Competitiveness	31
3.3 Methodological Approach and Problem Solving.....	36
3.4 Conclusion	38
4 Human Development and Regional Disparities	41
4.1 Current State of Knowledge.....	41
4.2 Methodological Approach to Human Development Index and its Modification ..	42
4.3 Results of Measurement of Regional Disparities.....	45
4.4 Conclusion	48
5 Competitiveness and Human Development in Cluster Analysis	52
5.1 Current State of Knowledge.....	52
5.2 Development of Regional Human Development Index.....	53
5.3 Theoretical Approach to Cluster Analysis	54
5.4 The Regions of the Visegrad Group Plus in Cluster Analysis.....	56
5.5 Conclusion	59
6 Competitiveness and Weighted Alternative of Human Development Index	63
6.1 Current State of Knowledge.....	63
6.2 Human Development Index and Analytic Hierarchy Process	64
6.3 Application of AHP to the Issue of Human Development	68
6.4 Conclusion	70
7 Competitiveness and Income Inequality	73

7.1	Current State of Knowledge.....	73
7.2	Measurement of Income Inequality	74
7.3	Methodology and Data of Income Inequality	77
7.4	Results of Empirical Analysis.....	78
7.5	Conclusion	80
8	Competitiveness and Level of Healthcare.....	82
8.1	Current State of Knowledge.....	82
8.2	Data and Methodology of Healthcare Issue	83
8.3	Healthcare in the Monitored Countries.....	84
8.4	Conclusion	91
9	Regional Competitiveness and ICT Sectoral Specialization and Concentration	92
9.1	The Current State of Knowledge	93
9.2	Methodology and its Application on Issue of ICT Sector	95
9.3	The Empirical Analysis of ICT Sector in Context of Concentration and Specialization	98
9.4	Conclusion	102
10	Selected Indicators of Sectoral Analysis of Non-financial Corporations.....	104
10.1	Enterprises and Non-financial Corporations	104
10.2	Methodology and Indicators of Financial and Sectoral Analysis	105
10.3	Data and Empirical Results	109
10.4	Conclusion.....	112
11	Assesment and Evaluation of Tenders in Public Procurement.....	113
11.1	Current State of Knowledge.....	113
11.2	Assessment and Evaluation of Tenders in Public Procurement.....	114
11.3	Discussion of Research Findings	117
11.4	Application of Multi-criteria Decision Analysis.....	119
11.5	The Assessment and Evaluation of Tenders in Practice of the Czech Republic....	121
11.6	The Assessment and Evaluation of Tenders in Practice of Poland	124
11.7	The Assessment and Evaluation of Tenders in Practice of Slovakia	127
11.8	Conclusion.....	131
12	Evaluation of National and Regional Competitiveness	132
12.1	Partial Results.....	132
12.2	The Evaluation of Macroeconomic Competitiveness	136
12.3	The Evaluation of Regional Competitiveness	137
12.4	Conclusion.....	139
