

Mozartovské inspirace a fabulace

Mozartian Inspirations and Fabulations

The life and work of Wolfgang Amadeus Mozart (1756–1791) has continued to attract interest of audiences, music theorists and musicians to this day. With the present album, Miloš Štědroň (b. 1942), respected musicologist and composer based in Brno, renders tribute to the great composer in the form of a miscellany of chamber works.
