

Print Section—Table of Contents

The *2004 State of the Future* is composed of two parts: print and CD. This print book contains the executive summary of each of the studies conducted in 2003–04. The enclosed CD of over 3,000 pages contains the cumulative work of the Millennium Project since 1996 and details of the studies included in this print section. See the next page for the contents of the CD.
