

STATUTE OF THE CZECH GEOGRAPHICAL SOCIETY	7
--	----------

<u>STATUTE OF THE POLAR SECTION OF THE CZECH GEOGRAPHICAL SOCIETY</u>	7
--	----------

GEOLOGIST JOSEF SEKYRA, FIRST CZECH TO REACH SOUTH POLE, DIES AT 80.....	8
---	----------

4ST ANNUAL MEETING OF POLAR SECTION OF THE CZECH GEOGRAPHICAL SOCIETY	13
--	-----------

ABSTRACTS 2003, FULL CONTRIBUTIONS ON CD

<i>Ecophysiological investigations in Antarctic lichen species</i> BARTÁK, M.; GLOSER, J.; HÁJEK, J.; DUBOVÁ, J.; VRÁBLÍKOVÁ, H.; HÁJKOVÁ, M.....	16
<i>Life in The Polar Terrestrial Environment With A Focus on Algae and Cyanobacteria</i> ELSTER, J. ¹ ; BENSON, E. ²	17
<i>Palsal and lithalsal and their possible occurrence in the Giant Mountains</i> JANKOVKÁ, V. ¹ ; KOCIÁNOVÁ, M. ² ; STURSOVÁ, H. ¹	18
<i>UV radiation in Antarctica</i> JANOUCHEK, M.	18
<i>Diversity and abundance of microbial communities in subglacial and periglacial habitats (Ny-Ålesund, Svalbard, 79°N)</i> KAŠTOVSKÁ, K.	19
<i>The influence of the changes in sea surface temperature in the Norwegian sea on the air temperature in the region of the Barents and Kara seas (1982-2002)</i> KRUSZEWSKI, G.; MARSZ, A. ; STYSZYNSKA, A.; ZBLEWSKI, S.....	19
<i>Reconstruction of the long-term UV-B variations over the Arctic using the satellite data</i> KRZYSCIN, J.....	22
<i>Snow flagellates of the Giant Mountains: distribution, life cycles and ecology</i> NEDBALOVÁ, L. ^{1,2} ; KOCIÁNOVÁ, M. ³	22
<i>Typical course of hypothermia in cold water</i> SIEGER, L.	23
<i>Trend in chosen factor affecting UV levels at the Polish Polar Station in Horsund, Svalbard, 1978-2002</i> SOBOLEWSKI, P.	24
<i>Comparison of two life strategies of algae from polar regions <i>Raphidonema nivale</i>, an alga of snow ? <i>Raphidonema sempervirens</i>, an alga of soil</i> STIBAL, M.	24
<i>Response of cyanobacteria from Antarctic and Arctic wetland habitats to freezing and desiccation</i> ŠABACKÁ, M.	25

5ST ANNUAL MEETING OF POLAR SECTION OF THE CZECH GEOGRAPHICAL SOCIETY	27
--	-----------

ABSTRACTS 2004, FULL CONTRIBUTIONS ON CD

<i>Stress physiology of Antartic lichens: Evidence from field and laboratory measurements</i> HÁJEK, J.; VÁCZI, P.; VRÁBLÍKOVÁ, H.; GLOSER, J.; BARTÁK, M.	30
<i>Podoby- srovnávací studie subpolární tundry Fennoskandie a arкто-alpínské tundry Krkonoš.</i> JANKOVSKÁ, V.; VANĚK, J.....	31
<i>Kolský poloostrov – minulost a současnost, rekonstrukce vývoje krajiny v holocénu</i>	

JANKOVSKÁ, V. ¹ ; KOCIÁNOVÁ, M. ²	32
<i>Cryoconite and subglacial microbial assemblages are agents of the soil microbial succession after glaciers retreat in the Arctic</i>	
KAŠTOVSKÁ, K.; ELSTER, J.; STIBAL, M.; ŠANTRŮČKOVÁ, H.	34
<i>Increase in Sea Surface Temperature in the Region of Spitsbergen</i>	
KRUSZEWSKI, G.	34
<i>Recent Ostracoda from the Gashamna (Horsund, South Spicbergen)</i>	
MACKIEWICZ, A.	35
<i>Starving with dehydration, boundary of human possibilities</i>	
SIEGER, L.	35
6ST ANNUAL MEETING OF POLAR SECTION OF THE CZECH GEOGRAPHICAL SOCIETY	37
ABSTRACTS 2005, FULL CONTRIBUTIONS ON CD	
<i>Ozone Hole in the Arctic and Antarctica: current state</i>	
JANOUC, M.	40
<i>Polar Year 2007- 2008</i>	
JANOUC, M.	40
<i>Palsy, lithalsy a jejich možný výskyt v minulosti v Krkonoších</i>	
KOCIÁNOVÁ, M. ¹ ; JANKOVSKÁ, V. ² ; ŠTURSOVÁ, H. ³	41
<i>Hypothermia after ice water exposure - general exhaustion state</i>	
SIEGER, L.	41
<i>The Arctic and Czech science</i>	
SKÁCELOVA, O.	42
POSTERS 2005	42
<i>Studies of soil biota in the Northern Victoria Land, Antarctica: preliminary data on soil diatoms from the area of Edmonson Point</i>	
SMYKLA, J. ¹ ; WOJTAL, A. ²	42
7ST ANNUAL MEETING OF POLAR SECTION OF THE CZECH GEOGRAPHICAL SOCIETY	45
ABSTRACTS 2006, FULL CONTRIBUTIONS ON CD	
<i>Relationships between the Arctic and the Antarctic cyanobacteria; three Phormidium-like strains evaluated by a polyphasic approach</i>	
COMTE, K.; ŠABACKÁ, M.; CARRÉ-MLOUKA, A.; ELSTER, J.; KOMÁREK, J.	48
<i>Ozone Hole in the Arctic and the Antarctic</i>	
JANOUC, M.	48
<i>Ecology of green snow flagellates</i>	
NEDBALOVÁ, L. ^{1,2}	49
<i>Hibler technique in use</i>	
SIEGER, L.	49
<i>Příprava polární výstavy v Moravském zemském muzeu</i>	
SKÁCELOVÁ, O.	50
<i>UV measurements at the Polish Polar Station, Hornsund: Calibration and data for the period 2005-2006</i>	
SOBOLEVSKI, P.; KRZYSCIN, J.	50

8ST ANNUAL MEETING OF POLAR SECTION OF THE CZECH GEOGRAPHICAL SOCIETY55

ABSTRACTS 2007, FULL CONTRIBUTIONS ON CD

<i>The meteorological measurements on the H. Arctowski Polish Antarctic Station</i> BISZCZUK, J.	59
<i>The UV-measurements on the H. Arctowski Polish Antarctic Station</i> BISZCZUK, J.	59
<i>Ekologie lišejníků na odledněných částech ostrova James Ross, Antarctica</i> BOHUSLAVOVÁ, O.	60
<i>Responses of Antarctic lichens to extremes in environment studied by open top chambers and chlorophyll fluorescence technique: Field experience from the James Ross Island and controlled laboratory experiments</i> HÁJEK, J.; VÁCZI, P.; GLOSER, J.; BARTÁK, M.*	60
<i>The meteorological measurements Anniversary of the Montreal Protocol: (Ozone Hole to recover later than expected)</i> JANOUC, M.	61
<i>Abiskoalpen (Torne Träsk Alpen) – Arktida, subarktida severního Švédska a Krkonoše (Vysoké Sudety) – reliktní arkticko-alpínské tundry ve střední Evropě</i> KOCIÁNOVÁ, M.	62
<i>Dvě výstavy ke 4. mezinárodnímu polárnímu roku: Vrchlabí a Brno</i> KOCIÁNOVÁ, M. ¹ ; SKÁCELOVÁ, O. ²	64
<i>„Češi a polární výzkum. Krkonoše v zrcadle severu“</i>	64
<i>„Sever a Jih – české polární výzkumy“</i>	65
<i>Surface UV radiation over the Arctic from models and observations</i> KRZYŚCIN, J.W.	65
<i>Study of Algal Primary Production in Laboratory</i> KVÍDEROVÁ, J.	66
<i>Pulsation regime of runoff in glacial catchment Arie (Hornsund, Spitsbergen)</i> NAWROT, A. ¹ ; PETLICKI, M. ²	67
<i>Fatigue and its explanation</i> SIEGER, L.	67
<i>Heat packs, principle and using</i> SIEGER, L.	68
<i>Surface UV radiation over the Zonation of Vegetation Related to Penguin Rookeries on King George Island, Maritime Antarctic</i> SMYKLA, J.	68
<i>Soil Diatom Assemblages of the Ross Sea Sector of the Continental Antarctic</i> WOJTAL, A.; SMYKLA, J.	69
POSTERS 2007	69
<i>Changes of the Renardbreen glacier terminus position on the basis of archival records and GPS measurements</i> GAJEK, G.	69
<i>Pollution record in snowpits from Hans Glacier (Svalbard) – preliminary study</i> LUKS, B. ¹ ; MIGALA, K. ²	72

9ST ANNUAL MEETING OF POLAR SECTION OF THE CZECH GEOGRAPHICAL SOCIETY73

ABSTRACTS 2008, FULL CONTRIBUTIONS ON CD

<i>Pyloanalýzy paly Abisko</i> JANKOVSKÁ, M.	76
--	----

<i>Contribution of the Czech Republic to the Detection of the State of the Earth's Ozone Layer and SolarUV-radiation in Antarctica</i>	
JANOUC, M.	76
<i>Distribution of Little auk Alle alle on Greenland sea in connection to physic factors and distribution of zooplankton</i>	
KESLINKA, L. ¹ ; Kwaśniewski, S. ² , Głuchowska, M. ² , Walczowski, w. ² , stempniewicz, l. ¹	76
<i>Některé zajímavé poznatky o formách a procesech v severské tundře</i>	
KOCIÁNOVÁ, M.; ŠTURSOVÁ, H.; JANKOVSKÁ, V.; HARČARIK, J.	77
<i>LONG-TERM VARIABILITY OF TOTAL OZONE OVER THE POLES FROM THE SATELLITE MEASUREMENTS: 1979-2008</i>	
KRZYŚCIN, J.	78
<i>Opinion about installation of the Czech Brewer spectrophotometer over the Antarctica</i>	
KRZYŚCIN, J.	78
<i>Surface mass balance measurements and modeling of Ariebreen, Hornsund, Svalbard</i>	
PETLICKI, M. ¹ ; NAWROT, A. ²	79
<i>The interaction of plants and microbial crusts in Ladakh, India</i>	
ŘEHÁKOVÁ, K. ¹ ; DOLEŽAL, J. ^{1,2} ; DVORSKÝ, M. ^{1,2} ; CHLUMSKÁ, Z. ^{1,2} ; BELLO, F. ³	79
<i>Průzkum subglaciálních systémů ledovců Svalbardu</i>	
ŘEHÁK sen., J.; ŘEHÁK, S.; ŘEHÁK jun., J.; KOSTKA, S.; K. ŘEHÁKOVÁ, K.; STIBAL, M.; ŠABACKÁ, M.; HACZEK, A.	80
<i>Methods of Water Disinfection for Individual Use in Polar Environment</i>	
SIEGER, L.	80
<i>Putovní výstava o českých polárních výzkumech ke 4. mezinárodnímu polárnímu roku: Vrchlabí a Brno</i>	
SKÁCELOVÁ, M. ¹ ; KOCIÁNOVÁ, O. ²	81
<i>Changes in the plant life strategies related to the penguin rookery impact gradient – an attempt to validate theoretical models</i>	
SMYKLA, J.	81
<i>Long-term UV Variations over the Svalbard Archipelago from the Measurements at the Polish Polar Station, 1996-2007</i>	
SOBOLEWSKI, P.	82
POSTERS 2008	82
<i>Hibler's technique, rescue in polar region</i>	
SIEGER, L.	82
<i>Overview method of individual water disinfection</i>	
SIEGER, L.	83
LIST OF CONTRIBUTIONS	85
CONTRIBUTIONS 2003	85
CONTRIBUTIONS 2004	86
CONTRIBUTIONS 2005	86
POSTERS 2005	87
CONTRIBUTIONS 2006	87
CONTRIBUTIONS 2007	88
POSTERS 2007	89
CONTRIBUTIONS 2008	89
POSTERS 2008	90
