

Content	3
Foreword	5
1. Fabio Salbitano	7
Let a Space Become a Place: Sharing Tools to Involve People in Planning, Design and Management of Our Common Neighbourhoods	
2. Roland Gustavsson	9
Beyond Mainstream. European Examples, Concepts, and Challenges within Woodland Management in Urban Contexts of Today	
3. Cecil C. Konijnendijk	11
What Makes Managing Urban Woodlands Special? – Lessons from European Research	
4. Ivo Kupka	13
Silviculture Strategies in Urban and Periurban Forests	
5. Arne Arnberger, Christiane Brandenburg, Renate Eder	15
Dog Walkers as Management Challenge in Urban Forests	
6. Christiane Brandenburg, Arne Arnberger, Andreas Matzarakis	17
User Types and Their Attitudes towards Weather in Viennese Urban Forests: Visitor Management Based on the Prediction of Visitor Numbers	
7. Wendy Yan Chen	19
Valuing Ecosystem Services of Recreational Opportunities and Amenities Generated by Green Spaces in Guangzhou	
8. Jan Šesták, Dana Hladíková	21
Creative Management in Young Landscapes	
9. Katharina Vering	23
The Impact of Urban Greenspaces for the Integration of Minority Groups	
10. Ivan Buchta, Stanislava Jandová, Magda Krest'anolová, Emanuel Kula	25
Occurrence Variations and Spatial Distribution of Subspecies of Eriophyes Tiliae (Acari, Eriophyidae) on Lime (Tilia sp.) in Urban Environment	
11. Iva Roubíková	27
Yews in the Manor Park Raduň	
12. Vilém Podrázský	29
Management of Forests in the Prague Capital Area Respecting the Forms of Use of Their Function	
13. Vilém Podrázský, Karel Matějka, Vladimír Zdražil, Ivana Kašparová	31
Delimitation of Area of the Peri-urban Forests of the Prague Capital	

15. September, Prague

14. Ivo Kupka	33
Management Guides for Prague Urban Forests	
15. Karel Matějka	35
Environmental and Stand Conditions of Prague's Periurban Forests	
16. Petr Kupec, Ilja Vyskot, Jitka Fialová	37
Evaluation of Social-Recreation and Sanitary-Hygienic Forest Functions as a Base for Determination of Urban Recreational Forests on Example of Capital Prague	
17. Jiří Schneider, Ilja Vyskot, Alice Melicharová, David Smitka	39
Modification of European Union Standards of Urban Recreational Forests According to Delimitation of Capital Prague Recreational Forests	
18. Vilém Podrázský	41
Effects of Important Introduced Conifereous Tree Species on the Forest Soils	
POSTERS	43
1. Arne Arnberger, Christiane Brandenburg, Renate Eder	45
Children Use of an Urban Forest in Vienna	
2. Environmental Policies Office – Venice Province Administration	47
The Venice Ecological Network: New Perspective for a Sustainable Development	
3. Eva Gaublomme, Hilde Dhuyvetter, Frederik Hendrickx, Konjev Desender	49
Ecological Effects of Urbanisation on Ground Beetles in Beech Forests of Brabant (Belgium)	
4. Rob Heldens, Anne Oosterbaan	51
Quality Management of Urban Forest The Amsterdamse Bos as an Example of a Man-Made Urban Forest	
5. Lucie Juříčková	53
Molluscan Fauna of Urban Forests in the Czech Republic	
6. Jana Nováková	55
Vegetation of „Klánovický les“ Forest Reserve and its Diversity During Last 40 Years	
7. Mehdi Pourhashemi, Parisa Panahi	57
National Botanical Gardens as a Complementary Part for Urban Forests and Green Spaces	
8. Maria-Luisa Tello, Laura Gaforio, Eloy Mateo-Sagasta	59
Sanitary Pruning as a Control Method for Anthracnose of Plane Trees	
List of participants	61
