<b>Foreword .....</b>	<b>I</b>
<b>Content.....</b>	<b>III</b>
<b>Executive summary.....</b>	<b>VI</b>
<b>1      Objectives and methodology of the study .....</b>	<b>1</b>
1.1    The objectives of the comparative study .....	1
1.2    The methodological approach .....	4
1.3    Overview of report content.....	8
1.4    The potential usefulness of the study .....	10
<b>2      Road safety policy and organisation and the traffic background.....</b>	<b>12</b>
2.1    Historical overview of main national policies .....	12
2.2    The national traffic safety organization for road safety .....	19
2.3    The common and different policy and organizational features .....	25
2.4    Transport background.....	32
2.5    Conclusions .....	34
<b>3      The traffic safety situation in Central countries for 2003.....</b>	<b>36</b>
3.1    Road users .....	39
3.2    Age groups .....	41
3.3    Passenger cars .....	44
3.4    Safety on motorways .....	46
3.5    Conclusions .....	47
<b>4      Road safety development in Central countries .....</b>	<b>48</b>
4.1    Major factors influencing road toll development .....	52
<b>5      Safety belts.....</b>	<b>58</b>
5.1    Introduction .....	58
5.2    Extent of the problem.....	59
5.3    Legislation.....	61
5.4    Interventions to reduce risk.....	62
5.5    Seat belt use.....	67
5.6    Conclusions and countries specific recommendations .....	73
<b>6      Low cost infrastructure improvements on urban and minor rural roads .....</b>	<b>75</b>
6.1    Introduction .....	75
6.2    Historical overview of infrastructure improvement polices .....	75
6.3    The tactics and funding for infrastructure improvements .....	79
6.4    Accident and traffic changes on local roads .....	80
6.5    Relating changes to different approaches .....	84
6.6    Conclusions and recommendations.....	87

<b>7</b>	<b>Drinking and driving .....</b>	<b>89</b>
7.1	Introduction .....	89
7.2	Extent of the problem.....	89
7.3	Country specific background information.....	93
7.4	Availability, quality and comparability of data .....	97
7.5	Country differences in safety levels .....	97
7.6	Explanation of differences and similarities between the countries .....	100
7.7	Conclusions and countries specific recommendations .....	101
<b>8</b>	<b>Young Drivers .....</b>	<b>103</b>
8.1	Introduction .....	103
8.2	Extent of the problem.....	103
8.3	Country specific background information (legislation) .....	104
8.4	Quality of data.....	106
8.5	Country differences in safety levels .....	107
8.6	Types of accidents in which young drivers are over-represented.....	111
8.7	Differences in attitudes and self-reported behaviour .....	113
8.8	Effect of policies and education systems on young drivers safety.....	117
8.9	Conclusions and countries specific recommendations .....	119
<b>9</b>	<b>Pedestrians .....</b>	<b>120</b>
9.1	Introduction .....	120
9.2	Extent of the problem.....	120
9.3	Country specific background information.....	122
9.4	Availability of data.....	123
9.5	Country differences in safety levels .....	125
9.6	Interventions to reduce the risk.....	131
9.7	Explanation of differences and/or similarities between the countries .....	132
9.8	Conclusions and countries specific recommendations .....	134
<b>10</b>	<b>Cyclists .....</b>	<b>136</b>
10.1	Introduction .....	136
10.2	Extent of the problem.....	136
10.3	Country specific background information.....	137
10.4	Availability, quality and comparability of data .....	140
10.5	Major contribution factors to accident occurrence .....	142
10.6	Interventions to reduce risk.....	146
10.7	Explanation of differences and/or similarities between countries .....	147
10.8	Conclusions .....	148
<b>11</b>	<b>Speed .....</b>	<b>149</b>
11.1	Introduction .....	149
11.2	Extent of the problem.....	149
11.3	Availability, quality and comparability of data .....	151
11.4	Speed development on roads in Central countries .....	153
11.5	Experiences with the change of speed limits .....	154
11.6	Interventions to reduce the risk.....	161
11.7	Conclusions .....	165
<b>12</b>	<b>Conclusions .....</b>	<b>166</b>
12.1	For pedestrian and cyclist safety .....	168
12.2	For drivers safety .....	168
12.3	For efficient safety management processes .....	169

12.4	For safety indicators .....	170
12.5	Specific recommendations for the European Commission .....	171
12.6	Specific recommendations for the Central countries .....	171
