<b>V. Web sites useful for teaching (and learning) English . . . .</b>	<b>67</b>

From what has been said, we can see that the teaching environment contains three language codes: English, the national language and the national-sign language. Without any doubts, such an environment is very demanding for the teacher and his/her preparation. S/he not only communicates with students and concentrates on clear explanations of what is being taught, but s/he also deals with an interpreter, writes notes on the board, uses an overhead
