<i>Preface</i>	vii
<i>Acknowledgements</i>	viii
<i>List of contributors</i>	ix

Section 1 – General Principles

- Anatomical and physiological changes in pregnancy and their implications in clinical practice** 1
Niraj Yanamandra and Edwin Chandraharan
- Principles of resuscitation for maternal collapse** 9
Renate Wendler

Section 2 – Algorithms for Management of the Top Five 'Direct Killers'

- Deep vein thrombosis and pulmonary embolism** 15
Tahir A. Mahmood and Adnan Hasan
- Severe preeclampsia and eclampsia** 24
Lucy Higgins and Alexander Heazell
- Massive obstetric haemorrhage** 33
Vivek Nama and Edwin Chandraharan
- Sepsis and septic shock in pregnancy** 41
Nicola Lack and Austin Ugwumadu
- Amniotic fluid embolus** 48
Derek Tuffnell and Hlupekile Chipeta

Section 3 – Intrapartum Emergencies

- Uterine rupture** 52
M. F. M. Rameez and Malik Goonewardene
- Breech delivery** 59
Osama Abu-Ghazza and Edwin Chandraharan

- Umbilical cord prolapse** 68
Malik Goonewardene
- Fetal compromise: diagnosis and management** 78
Edwin Chandraharan
- Shoulder dystocia: diagnosis and management** 88
Edwin Chandraharan and Sabaratnam Arulkumaran
- Twin delivery** 93
Deepal S. Weerasekera
- Instrumental vaginal delivery** 98
Vikram Sinai Talaulikar and Sabaratnam Arulkumaran
- Emergency caesarean section** 107
Chitra Ramanathan and Leonie Penna
- Unintended trauma and complications during caesarean section** 115
Osama Abu-Ghazza and Edwin Chandraharan

Section 4 – Postpartum Emergencies

- Acute puerperal uterine inversion** 120
Hemantha Senanayake, Probhodana Ranaweera and Mohamed Rishard
- Sudden postpartum maternal collapse** 126
Karolina Afors and Amarnath Bhide
- Retained placenta** 132
Kapila Gunawardane
- Perineal trauma** 138
Stergios K. Doumouchtsis

Section 5 – Medical and Surgical Emergencies during Pregnancy

- 21 **Palpitations during pregnancy** 145
Niraj Yanamandra and Edwin Chandracharan
- 22 **Breathlessness** 150
Michael Egbor and Hassan Shehata
- 23 **Abdominal pain in pregnancy** 154
Archana Krishna and Edwin Chandracharan
- 24 **Blurring of vision and sudden loss of vision in pregnancy** 163
Anomi Panditharatne and Edwin Chandracharan
- 25 **Psychiatric emergencies** 170
Andrew Kent and Lorraine Cleghorn
- 26 **Drug overdose in pregnancy** 176
Lakshman Karalliedde and Inidika Gawarammana
- 27 **Diabetic ketoacidosis in pregnancy** 185
Ingrid Watt-Coote and Julia Kopeika
- 28 **Convulsions and epilepsy** 191
Julia Kopeika and Ingrid Watt-Coote
- 29 **Musculoskeletal considerations in pregnancy** 198
Hiran Amarasekera
- 30 **Endocrine emergencies in pregnancy** 204
Manilka Sumanatilleke

Section 6 – Anaesthetic Emergencies

Section Editor: Anthony Addei

- 31 **General anaesthesia and failed intubation** 214
Sarah Hammond and Christina Wood
- 32 **Fluid overload and underload** 221
Renate Wandler
- 33 **Transfusion, anaphylactic and drug reactions** 227
Rehana Iqbal and Cheron Bailey

- 34 **Major trauma including road traffic accidents** 233
Kirsty Crocker and Tim Patel

Section 7 – Neonatal Emergencies and Resuscitation

- 35 **Neonatal resuscitation and the management of immediate neonatal problems** 241
Anay Kulkarni, Justin Richards, Nigel Kennea and Siromi Gunaratne

Section 8 – Management of Anticipated and Non-anticipated Emergencies

- 36 **Morbidly adherent placenta** 250
Nilesh Agarwal, Richard Hartopp and Edwin Chandracharan
- 37 **Peri- and postmortem caesarean section** 256
Priyantha Kandaneerachchi and Edwin Chandracharan

Section 9 – Setting up Skills and Drills Training in Maternity Services

- 38 **Setting up and running labour ward fire drills** 260
Karolina Afors and Edwin Chandracharan
- 39 **Simulation training** 264
Emma Evans and Polly Hughes
- 40 **Risk management (emergency obstetric and intrapartum care)** 269
Jessica Moore
