*We've been doing it for a long time,
just gave it a new name (for now)
- "The Vigil."*

Flood the market with music - refine the art of living - defy the existing norm - keep on creating: the mantra of the musician, the artist: Freedom of Expression.

A confluence of artistic spirit, outside of time and space - no regard for age or experience - only the quality of aesthetic communication, competence and chosen emotion.

Homage to our Legacy - Duke Ellington, Art Tatum, Thelonious Monk, Charlie Parker, Miles Davis, John Coltrane, Roy Haynes.

Inclusive of all music that inspires - a new style, a new technique, a fresh improvisation every day in a new way. Creativity the reigning criterion.

This is The Vigil.
