

# Contents

Preface	v
Acknowledgments	ix

## *Historical and Geological Settings*

1 Introduction	3
2 The Geological Context of Ediacaran and Cambrian Events	13
3 The Environmental Context of the Ediacaran and Early Cambrian	29

## *The Record of Early Metazoan Evolution*

4 The Metazoan Tree of Life	63
5 Dawn of Animals: The Ediacara Biota	107
6 Metazoan Architectures of the Cambrian Explosion	147

## *Biological Processes*

7 The Origin and Evolution of Metazoan Ecosystems	223
8 The Evolution of the Metazoan Genome and the Cambrian Explosion	251

## *Evolutionary Dynamics of the Cambrian Explosion*

9 Ghostly Ancestors	293
10 Constructing the Cambrian	319

Appendix: First Appearances of Major Metazoan Clades in the Fossil Record	343
