

Velvet Voices

African-American music of the Eastern Shores in all its glory and variety: menhaden fisherman chanteys, jubilee and gospel singing, and echoes of Colonial-era black fife, drum, and banjo orchestras.

The Southern Journey Series

A voyage of the road and the mind, pioneering the use of stereo recording in the field, Alan Lomax's *Southern Journey* is a 13-volume series of original recordings evoking the musical world of the rural South and an era before radio, movies and television.

The Alan Lomax Collection

The Alan Lomax Collection gathers together the American, European and Caribbean field recordings, world music compilations, and ballad operas of writer, folklorist and ethnomusicologist Alan Lomax.

Remastered to 20-bit digital from the original field recordings. Contains previously unreleased recordings.
