

Ozark Frontier

From the land that produced Jesse James, Jimmy Driftwood, and Bill Clinton, and where settlers enjoyed the freedom of the West, the rich traditions of the South, and the songs of their ancestors, comes this collection of great Arkansas performers of ballads and old-timey music.

The Southern Journey Series

A voyage of the road and the mind, pioneering the use of stereo recording in the field, Alan Lomax's *Southern Journey* is a 13-volume series of original recordings evoking the musical world of the rural South and an era before radio, movies and television.

The Alan Lomax Collection

The Alan Lomax Collection gathers together the American, European and Caribbean field recordings, world music compilations, and ballad operas of writer, folklorist and ethnomusicologist Alan Lomax.

Remastered to 20-bit digital from the original field recordings. Contains previously unreleased recordings.
