

At the dawn of her stardom, Sarah Vaughan signed with Columbia Records. She cut numerous hits, but only one true album. This CD reissue, *Sarah Vaughan In Hi-Fi*, contains that masterpiece with numerous additional tracks — one newly-discovered tune, and eight previously-unreleased alternate takes which uncover new **Miles Davis** solos.

Featuring Miles Davis, Budd Johnson, Tony Scott, Jimmy Jones, Freddie Green, J.C. Heard and Mundell Lowe, among many others.

Recorded between December 1949 and December 1952.

Reissue Produced by
Phil Schaap
