Wolfgang Haffner appears courtesy of ACT Music

Backed by “the crème of German jazz’s younger generation” (*Hamburger Abendblatt*), Thomas Quasthoff surprises us again here with his favourite soul, R’n’B, and pop standards: “With the unbounded magic of his warm, wondrous voice, he ennobles the songs...” (*Die Welt*). “A phenomenon! He lives the songs ... as if they were written for him.” (*Hamburger Morgenpost*) [concert reviews]
