

Woody & ALLEN LA MUSIQUE de A MANHATTAN MAGIC IN THE MOONLIGHT

Bien plus qu'une compilation des musiques de films de **Woody Allen**, ce collector constitue le vademecum musical de l'honnête homme contemporain. De **Verdi** à **Philip Glass**, des ténors du jazz américain à ceux des rythmes latinos, il reflète ce cosmopolitisme musical que le cinéma n'a cessé d'exalter. **Billie Holiday** y répond à **Caruso**, **Fred Astaire** à **Joséphine Baker**, **Gershwin** à **Armstrong** et **Giulia y los Tellarini** à **Carmen Miranda**. De Manhattan à Barcelone, en passant par Londres et Paris, un merveilleux *Cheek to Cheek* musical, une *Rhapsodie in Blue* pour le monde.

cd 1
