

## CONTENTS

|                         |            |
|-------------------------|------------|
| <i>About the Author</i> | <i>i</i>   |
| <i>Foreword</i>         | <i>ii</i>  |
| <i>Preface</i>          | <i>iii</i> |
| <i>Acknowledgement</i>  | <i>iv</i>  |
| <i>Keywords</i>         | <i>v</i>   |

## CHAPTERS

|  |     |
|--|-----|
| 1. Pesticide Chemistry                   | 3   |
| 2. Individual Pesticides                 | 26  |
| 3. Toxicology of Pesticides              | 50  |
| 4. Metabolism of Pesticides              | 62  |
| 5. Toxicological Symptoms                | 97  |
| 6. Pesticide Formulation and Application | 104 |
| 7. Pesticide and Environment             | 114 |
| 8. Summary                               | 122 |
| Terminologies                            | 124 |
| Index                                    | 135 |
| Unit Conversion Table                    | 138 |
