

## Contents

<b>1 Basic Science and Immunology</b> .....	1
<i>Sima Jain</i>	
1.1 Embryology .....	2
1.2 Epidermis .....	2
1.3 Basement Membrane Zone (BMZ) .....	6
1.4 Melanocytes, Langerhans, and Merkel Cells .....	9
1.5 Dermis .....	10
1.6 Appendageal Glands and Nerves .....	11
1.7 Hair and Nails .....	13
1.8 Wound Healing and Cytokines .....	16
1.9 Immunology .....	17
<b>2 Pediatric Dermatology</b> .....	29
<i>Sima Jain and Iris Lim Trinh</i>	
2.1 Neonatal Dermatology .....	30
2.2 Childhood Infectious Diseases .....	34
2.3 Papulosquamous and Eczematous Dermatoses .....	39
2.4 Pigmented Lesions .....	41
2.5 Hypopigmented Lesions .....	45
2.6 Bullous Diseases .....	46
2.7 Epidermal, Appendageal and Dermal Tumors .....	48
2.8 Tumors of Fat, Muscle and Bone .....	54
2.9 Vascular Disorders .....	55
2.10 Genodermatoses .....	61
<b>3 General Dermatology</b> .....	95
<i>Sima Jain and Milind G. Parikh</i>	
3.1 Acne and Related Conditions .....	96
3.2 Papulosquamous, Lichenoid and Eczematous Dermatoses .....	101
3.3 Granulomatous, Metabolic and Depositional Diseases .....	114
3.4 Erythemas and Purpuras .....	125
3.5 Vesiculobullous Diseases .....	128
3.6 Connective Tissue Diseases .....	135
3.7 Disorders of Fat .....	144
3.8 Pregnancy Dermatoses .....	147
3.9 Vasculitides and Vaso-Occlusive Diseases .....	149
3.10 Eosinophilic and Neutrophilic Dermatoses .....	154
3.11 Pigmentary Disorders and Vitamin Deficiencies .....	157
3.12 Cutaneous Manifestations of Systemic Diseases .....	160
3.13 Disorders of Hair .....	167
3.14 Neuropsychocutaneous Disorders .....	173
3.15 Oral Diseases .....	174
3.16 Nail Diseases .....	179
3.17 Photodermatoses .....	185
