<b>Chapter 1 • WHY Quality Surveys and Questions Matter</b>	<b>1</b>
What Is a Quality Survey?	1
What Makes Survey Questions <i>Quality Questions</i> ?	3
What Makes a Survey a <i>Quality Survey</i> ?	3
Why Does Quality Matter?	4
Why Do We Need a Purposeful Survey Design Process?	5
Surveys Are Inherently Imperfect Tools and Are Easily Fraught With Error	5
Self-Reports Are Problematic	6
Surveys Are Often Developed Without the Benefit of Formal Study or Practice	6
Surveys Developed Internally Are Increasingly Common and Require Extra Attention	7
Question Wording Can Dramatically Impact Responses and Data Quality	7
Today's Survey Researcher Must Work to Ensure Cultural Relevance	9
Survey Fatigue and Nonresponse Negatively Impact Data Collection	10
Applying Design Thinking to Survey Research	12

## **PART I • WHAT TO CONSIDER BEFORE DRAFTING SURVEY QUESTIONS** **27**

### **Chapter 2 • Planning and Predrafting** **29**

Why Survey? The Importance of Establishing Purpose	29
What Will Be Measured? Understanding Constructs and Indicators	32
Wait, Do You Really Need a Survey?	35
Is a New Data Collection Effort Necessary?	36
Is Another Data Collection Tool a Better Fit?	36
What Can Be Measured With a Survey?	39
Attributes	40
Behavior	41
Abilities	42
Thoughts	43
What Are the Advantages and Limitations of Surveys?	45
Advantages	45
Limitations	47
Discussion Questions	50
Design Drills	50
Extended Learning	50

### **Chapter 3 • Understanding Respondents** **53**

Cognitive Tasks Involved in Answering Questions	53
Comprehension	54
Retrieval	54
Judgement	55
Response	56
Respondent Willingness and Ability to Participate in a Survey	59
Factors Related to Willingness	59
Factors Related to Ability	61
Context and Culture	68
Survey Context	68
Distinguishing Researcher and Respondent Culture	68
Cultural Competence and Responsiveness	69

Power Dynamics	69
Preparing for Cultural Responsiveness	71
Discussion Questions	72
Design Drills	72
Extended Learning	72
<b>PART II • HOW TO DEVELOP SURVEY QUESTIONS AND RESPONSE OPTIONS</b>	<b>75</b>
<b>Chapter 4 • Sourcing and Crafting Questions</b>	<b>77</b>
Sourcing Survey Questions	77
Brainstorming	77
Engaging Potential Respondents or Informants	78
Using or Adapting Existing Measures	79
The Anatomy and Physiology of Survey Questions	81
Composing Question Stems	81
Reference Periods	82
Avoiding Problematic Wording and Question Types	83
Problematic Text Features	84
Ambiguous Wording	86
Double-Barreled Questions	88
Leading and Loaded Questions	90
Open-Ended Questions	92
Why Use Open-Ended Questions?	94
How to Compose Open-Ended Questions	94
When to Use Open-Ended Questions	95
Closed-Ended Questions	96
Types of Closed-Ended Questions	98
Discussion Questions	104
Design Drills	104
Extended Learning	104
<b>Chapter 5 • Constructing Response Options</b>	<b>105</b>
Determining Appropriate Response Options	106
How Many Response Options to Include	106
The Odds or Evens (Midpoint) Debate	108
Unipolar and Bipolar Response Scales	111
Using a "Don't Know" Option	113
Frequency Scales	115
Likert Items and Likert-Type Items	116
Strategies for Designing Response Options	118
Matching Response Options to Question Stems	118
Offering Enough Response Options	123

Labeling Response Options	125
Ordering Response Options	127
Decomposition	128
Retrieval Cues	129
Discussion Questions	130
Design Drills	131
Extended Learning	132
<b>Chapter 6 • Special Purpose and Sensitive Questions</b>	<b>133</b>
Questions With Special Purposes	134
Filter Questions	134
Quality Control Questions	135
Sensitive Questions	137
Social Desirability Bias	138
Demographic Questions	139
Specific Categories of Demographic Questions	143
Discussion Questions	156
Design Drills	156
Extended Learning	156
 <b>PART III • KNOWING WHEN A SURVEY IS READY FOR USE</b>	 <b>159</b>
<b>Chapter 7 • Finalizing Questions and Using Pretesting Strategies</b>	<b>161</b>
Why Pretest Surveys and Their Questions?	162
Advantages of Pretesting	162
How Can Surveys and Their Questions Be Tested Prior to Use?	165
Survey Quality Assessment Tools	166
Expert Review	171
Cognitive Interviewing	172
Focus Groups	175
Pilot Testing	176
Discussion Questions	178
Design Drills	178
Extended Learning	179
<b>Chapter 8 • Pulling It All Together to Maximize Response</b>	<b>181</b>
Survey Instructions	182
Order Effects	182
Formatting the Survey	184
Formatting for Respondent Understanding	184
Online Platforms	187

Mobile-Friendly Formatting	187
Attending to Visual Disabilities	187
Reviewing for Reading Comprehension	188
Contacting Potential Respondents	189
Compelling Invitations	190
Sufficient and Engaging Reminders	191
Informed Consent/Assent	192
Survey Incentives	193
Planning for Administration	194
Selecting a Survey Administration Mode	197
Determining a Survey Timeline	199
Planning for Analysis	202
